Purpose of Procedure

1. This procedure provides a clear statement of the University’s requirements for re-admission to a higher degree by research where a student is no longer enrolled as a result of:

   - Failure to re-enrol; or
   - Allowing their enrolment to lapse between 1 January 2013 and 31 December 2014; or
   - Withdrawing in good standing; or
   - Being discontinued in good standing.

2. The procedures are based on the University’s re-admission requirements as outlined in regulation 42 of the Monash University (Academic Board) Regulations.

3. Persons whose enrolment lapsed prior to 1 January 2011 and who wish to submit their thesis will be dealt with on a case-by-case basis in accordance with the Monash University (Academic Board) Regulations.

4. Persons whose enrolment has been terminated under regulation 54(1) of the Monash University (Academic Board) Regulations cannot apply to be re-admitted into the degree from which they were terminated. They are also ineligible for admission to another higher degree by research at Monash.

Structure of these Procedures

5. These procedures comprise the following sections:

   **Section 1:** Re-admission following failure to re-enrol in a course of study or withdrawal / discontinuation in good standing

Monash University Procedure

Section 1: Re-admission following failure to re-enrol in a course of study or withdrawal/discontinuation in good standing

Application process

6. A person seeking re-admission following being a student who has failed to re-enrol, or who has been discontinued in good standing or who has withdrawn in good standing, must:

- Make the request in writing by completing the Request for Re-Admission form;
- Have the written support of their Head of Academic Unit (or delegate) that re-admission is recommended and that supervisory and resource support remains available;
- Make payment of any outstanding fees, including late enrolment fees;

Submit the application within 4 years of the date of discontinuation or withdrawal. Where the application for re-admission relates to the same course of study from which the person was previously discontinued or withdrawn, consideration may be given to a shortened period of enrolment in accordance with Section 2 of these procedures.

Section 2: Reduced minimum period of enrolment

7. A shortened minimum period of enrolment may be approved on the basis of work previously completed towards the Monash University higher degree by research into which the student seeks to be re-admitted, provided that the work:

- Has not been counted towards a completed course;
- Was, in the opinion of the GRC, appropriately conducted and monitored;
- Is of a nature and quality appropriate to the program for which re-admission is being sought.

Section 3: Thesis submission for former students who lapsed 1 January 2013 to 31 December 2014

8. The GRC may allow a person with a lapsed enrolment between 1 January 2013 and 31 December 2014 to submit their thesis for examination without requiring a minimum period of re-admission. In order for the thesis to be accepted for examination, clear evidence must be provided of continued contact between the person and supervisor over the period of lapsed enrolment, along with a certification by the main supervisor that the work meets the necessary submission requirements.

9. Applications to submit as a person with a lapsed enrolment, supported by the person's main supervisor and Head of Academic Unit (or delegate), should be submitted to Monash Graduate Education on the Application to Submit Doctoral/Research Master's Thesis Under Lapse of Enrolment form.

10. However, a minimum period of re-admission may apply where the GRC determines that the thesis is not ready for submission and the person requires a period of enrolment in order to progress the thesis to submission. Any such cases for re-admission will only be considered where the person:

- Makes a request for re-admission in writing by completing the Request for Re-Admission form;
- Has the written support of the Head of Academic Unit (or delegate) stating that re-admission is recommended and that supervisory and resource support remains available;
- Pays any outstanding fees (if applicable);
- Submits the application within 4 years of the date of lapsed enrolment.
