| Date Effective | 13-April-2011 |
| Review Date | 13-April-2014 |
| Policy Owner | Deputy Vice-Chancellor (Education) |
| Category | Academic Quality and Standards |
| Version Number | 1.1 |
| Content Enquiries | policy-education@monash.edu |
| Scope | <ul style="list-style-type: none"> • All campuses (including offshore) • All coursework programs • All Monash staff • All Monash students |
| Purpose | To establish university-level governance for the consideration and review of enterprise-level educational technologies. |
| POLICY STATEMENT | |

Monash has enterprise-level educational technologies. New enterprise-level educational technologies will only be considered for adoption in accordance with terms of reference approved by Education Committee, in consultation with the Office of the Chief Information Officer. New enterprise-level educational technologies will only be adopted upon Academic Board approval of an education and business case.

Enterprise level educational technologies will be reviewed at least every three years by Education Committee and the Office of the Chief Information Officer, in accordance with terms of reference approved by Education Committee.

Use of alternative enterprise-level educational technologies will only be allowed upon Education Committee and Academic Board approval of an education, business and backup and disaster recovery case.
