### Notification of Extenuating Circumstances or Special Needs

This form is to be completed by those students who need to advise the Placements Office of extenuating circumstances or special needs which may need to be taken into account when making professional placement allocations.

All applications will be assessed on a case by case basis by the Student Advisor and should be made at the beginning of each academic year or where applicable – at least 6 weeks prior to commencement of the placement unless evidence can be provided that confirm the extenuating circumstances have occurred recently (ie within the last 6 weeks). All applicants will be advised via their Monash University student email as to their application outcome.

#### Please note that work commitments and related matters are NOT considered to be extenuating circumstances

### ADVICE OF EXTENUATING CIRCUMSTANCES

If a candidate has special needs or extenuating circumstances that should be taken into account when placements allocations are being made, a ‘Notification of Extenuating Circumstances or Special Needs’ should be submitted. In order for the notification to be consideration and request granted, the case presented needs to be of a **serious nature** and should be supported by documentary evidence. For example, a student may have a disability which makes it difficult for them to travel up to 60 minutes to their school placement each day.

### REQUIRED APPLICATION DOCUMENTATION

All applications should be supported by appropriate documentation and/or evidence from a qualified practitioner (ie medical or a psychologist) registered with a recognised body. Other acceptable documents may include a statutory declaration. Certificates signed by family members are not acceptable.
