EXPRESSION OF INTEREST IN
GRADUATE RESEARCH DEGREE CANDIDATURE
For Potential Research Applicants PhD & MPhil
Monash University CRICOS Provider Number  00008C

Potential applicants to Graduate Research programs in the Faculty of Information Technology must complete this form before applying for admission. On the basis of this Expression of Interest you may be invited to submit an online Application for Admission and/or Scholarship.

1. Personal Details

Monash Student ID Number: 
(If applicable)

Family Name: ___________________________ Title: ___________________________

Given names: ___________________________

Citizenship: ☐ Domestic (Australian/New Zealand Citizen or Australian Permanent Resident)
☐ International - please specify country of citizenship: ___________________________

Have you previously applied for a program with the Faculty of Information Technology? Yes ☐ No ☐

2. Contact Details

Please give contact details that are valid for at least one month after submission of this form.

Email: ___________________________

Telephone: _________________________

3. Proposed Enrolment

The Faculty of Information Technology offers 0190 - Doctor of Philosophy and 3337 - Master of Philosophy graduate research degrees. Admissions to these programs are based on meeting the eligibility requirements. Further information on entry requirements and course details can be viewed at: Information Technology – Entry to a Research Degree webpage.

Please tick the appropriate box for the degree you wish to enroll.

☐ Doctor of Philosophy (PhD)
☐ Doctor of Philosophy (PhD) by Demonstration or Project
☐ Master of Philosophy

Please indicate which campus you are applying for:

☐ Clayton campus
☐ Caulfield campus
☐ Malaysia Campus

Graduate research students can commence throughout the year. In order for your Campus and potential supervisors to identify whether it is possible to provide appropriate resources for you at the time you wish to undertake your studies we require details of your proposed commencement date.

Commencement date of graduate research degree (date/month/year): ___________________________ as a ☐ Full-Time student ☐ Part-Time

Please note: Part-time candidature may not be possible in all research fields or for international students studying on a student visa.
4. Research Interests

An Information Technology graduate research degree can be completed in any field of research where sufficient expertise and resources are available to carry out research. You can search for potential supervisors here. You can find out more about PhD projects which are supported by tuition fee scholarships here: Faculty of Information Technology research strengths.

Briefly outline your proposed research project or research interests (100 words maximum).

Do you wish to be considered for a Flagship PhD project? Yes ☐ No ☐ If yes, please outline the project title, supervisor and topic:

It is your responsibility to make contact with a potential supervisor to express an interest in one of their projects or to discuss potential projects. You will find details of the researchers working in your field of interest from the website: potential supervisors.

Please identify the Faculty of Information Technology academic/s with which you have discussed your research interests.

Please note: test results are valid for two years from the date of the test, and must be valid when you commence your program. If you have not completed an appropriate English test within the past two years, please review the Monash University policy on English Language requirements and answer the question below.

Please specify if you have completed two years of tertiary study within the past five years at an accredited university where English is the language of instruction and assessment, and is an official language of that country (specify name of institution, dates of study and attach documentary evidence).

8. Scholarship Support

The University may award a living allowance and/or tuition fee scholarship to a graduate research student. Note that scholarship numbers are limited and only available for students with a highly competitive track record. Information on major graduate research scholarship schemes can be found on the Faculty of Information Technology Scholarships website.

Tick all boxes that apply:

1. Have applied for or been awarded a living allowance scholarship from another organisation to undertake studies at the Faculty of Information Technology, Monash University?
   Yes ☐ No ☐

2. I have applied for or been awarded a tuition fee scholarship from another organisation to undertake studies at the Faculty of Information Technology, Monash University?
   Yes ☐ No ☐

3. I wish to be considered for a living allowance scholarship?
   Yes ☐ No ☐

4. I wish to be considered for a tuition fee scholarship?
   Yes ☐ No ☐

5. I am self-funded and do not require any scholarship support?
   Yes ☐ No ☐

Please list all scholarships applied for or awarded below. Insert additional rows into the table as required.
