

# Admissions table and entry requirements

The Admissions Table is a quick reference guide to the entry requirements for all Monash undergraduate courses.

The ENTER scores and course fees supplied in the table are to be used as a guide only and are subject to change. For the latest information, please refer to [www.monash.edu/study/coursefinder](http://www.monash.edu/study/coursefinder)

**NOTE: Applications for courses at Sunway campus in Malaysia and Monash South Africa must be made directly to the campus as listed at the back of this guide.**

## Fees\*

To study at Monash University you must pay tuition fees to the University.

Tuition fees vary for different courses.

Tuition fees are detailed in the Admissions Table of this guide and at: [www.monash.edu/study/international/courses/fees.html](http://www.monash.edu/study/international/courses/fees.html)

## Healthcare fees

It is an Australian Government visa regulation for international students studying on a student visa to have compulsory Overseas Student Health Cover (OSHC) for the duration of their stay in Australia.

Monash University requires all commencing international students to purchase visa length cover at the time of accepting their offer; that is, health cover that will last for the duration of their visa.

The electronic Confirmation of Enrolment (eCoE) for student visa application will not be issued until:

- the OSHC payment has been received (along with payment of fee deposit) or;
- proof has been submitted that visa length OSHC has been purchased with an approved Australian OSHC provider of your choice or;
- approved documentation has been submitted for exemption from payment of OSHC.

For more information visit:  
[www.monash.edu/study/international/apply/visa-requirements.html](http://www.monash.edu/study/international/apply/visa-requirements.html)

## Entry requirements

The entry requirements for Monash may be subject to change from time to time. The latest information is available on the website: [www.monash.edu/study/international/apply/entry-requirements.html](http://www.monash.edu/study/international/apply/entry-requirements.html)

## English language requirements

All Monash applicants must satisfy the minimum English language requirements of the University.

International students undertaking Year 12 in Australia must complete and achieve a satisfactory level of performance in an English subject at Year 12 or equivalent level. For VCE students, this means a minimum study score of at least 25 in units 3 and 4 in any VCE English subject. Students undertaking English as a Second Language (ESL) are required to achieve a minimum study score of 30. International students undertaking the IB Diploma should receive a score of at least 4 in English. Some courses may require a higher English study score.

**For details of acceptable English subjects and performance levels, all other students should visit:** [www.monash.edu/study/international/apply/entry-requirements](http://www.monash.edu/study/international/apply/entry-requirements).
