## 10<sup>TH</sup> AUSTRALASIAN WORKSHOP ON ECONOMETRICS AND HEALTH ECONOMICS

Monday 15<sup>th</sup> April – Wednesday 17<sup>th</sup> April 2019  
Adina Vibe Darwin Waterfront  
Darwin, Northern Territory

This workshop provides a forum for the development and dissemination of applications of econometrics and other quantitative approaches in health economics. The workshop will follow the format of the long-running European workshops on Econometrics and Health Economics.

The program consists of fourteen papers. Each paper is allocated one hour, which is made up of a presentation by the author, followed by a response from a nominated discussant and general discussion. Presentations by doctoral students and junior researchers are encouraged. The number of participants is limited to 40. Workshop participants will be expected to attend the whole of the meeting and play a role as either author, discussant or chair-person.

## Workshop

The workshop commences at lunchtime on Monday 15<sup>th</sup> April and concludes in the afternoon on Wednesday 17<sup>th</sup> April 2019.

Inclusions:

- Two nights bed and breakfast
- All meals

## Submission of Papers

Please submit a 1000 word (minimum) abstract or draft paper. If sending an abstract, it should include details of the aims, econometric methods, and results. Results should be presented even if they preliminary. Abstracts containing no results will be less likely to be accepted. Abstracts and papers will be judged primarily on the quality of their econometrics content. If sending a full paper, it should be unpublished and not submitted for publication in a peer reviewed journal at the time of the conference. Electronic submission of papers is required and can be uploaded on the registration page
