1 INTRODUCTION

Citations for Outstanding Contributions to Student Learning (Citations) recognise and reward the diversity of contributions made by individuals and teams to the quality of student learning in higher education. A Citation is awarded to an individual or team (i.e. academic staff, general staff, sessional staff or institutional associates) who have made a significant contribution to the quality of student learning, in a specific area of responsibility over a sustained period.

Citations provide an opportunity for distinctive institutional missions, values and priorities in learning and teaching to be recognised and are awarded for a range of contributions to student learning, both direct and indirect.

1.1 CATEGORIES

Nominees must select one citation category from the list below. The four citation categories are:

- Approaches to teaching and/or the support of learning that influence, motivate and inspire students to learn.
- Development of curricula, resources or services that reflect a command of the field.
- Evaluation practices that bring about improvements in teaching and learning.
- Innovation, leadership or scholarship that has influenced and enhanced learning and teaching and/or the student experience.

Refer to Section 2 Citation categories for more information.

1.2 MAXIMUM SUBMISSIONS

- Eligible institutions can submit a maximum of six individual or team submissions across all categories.
- If the nominating institution has fewer than 500 EFTSU, the maximum number of nominations is four.
- Nominees may only be included in one Citation nomination in any year, unless the nominee is part of a team nomination and is not the lead nominee.
1.3 **KEY ONLINE SUBMISSION DATES**

There are two phases in the online submission process. Phase 1 requires ICOs to enter the nominee’s details and Phase 2 requires ICOs to upload the required documentation including digital photograph.

1.4 **ELIGIBILITY**

All nominations must relate to outstanding contributions to student learning in higher education and must be supported by the nominating institution (refer to eligible institutions in Table A and Table B). Nomination is open to academic, general/professional and sessional staff (full-time or fractional, continuing or contract).

1.4.1 **TEAMS**

Team nominations can only include members with a contribution of 10 per cent or higher. This means that the maximum number of team members is 10 either from the same institution or collaborating institutions. All members of the team must be employed by an eligible institution.

1.4.2 **EARLY CAREER CITATIONS**

Nominees with no more than five years’ experience teaching in a higher education institution may apply for an Early Career Citation. The five years can be non-sequential and must be counted on a semester basis. This includes all tutoring and part-time teaching.

1.4.3 **ELIGIBILITY OF PAST RECIPIENTS OF AWARDS OR CITATIONS**

Individual Citation recipients are not eligible for individual Citation renomination within five years of receiving a Citation (i.e., if a recipient in 2015, they are not eligible to reapply until 2020). The nomination should not substantially replicate the original nomination.

Previous recipients of Citations are eligible to renominate within five years of receiving the Citation if they form part of a team nomination and are not the lead nominee. The team nomination should not substantially replicate the original nomination.

A past recipient of a Teaching or Program Award (including Carrick, ALTC or OLT Award) can only nominate for a Citation if they form part of a team nomination and are not the lead nominee.
