E3008 Bachelor of Engineering (Honours) and Bachelor of Pharmaceutical Science

Course progression map for 2020 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course ‘Requirements’ section of the Handbook. Update version: 3 February 2020

Engineering specialisation – Chemical engineering

Pharmaceutical science specialisation - Formulation science

Note:
- If you choose CHE4164 and depending on placement location, you may have to overload a semester or extend an additional semester in order to complete your course requirement.
- You should not overload in the semester of undertaking CHE4170.
- You are required to complete at least 420 hours of Continuous Professional Development (CPD) in order to graduate. For further information refer to the CPD webpage.
- For enrolment advice, please refer to the Course advisers webpage. This course map is recommended as a guide only and subject to updates.
