VOLUNTEER RESIDENT ADVISOR (SPORT & WELLBEING) PROGRAM OVERVIEW

Over the years there have been many residents at Clayton Residential who have been committed to establishing 'hall' based sporting activities, however, without a 'central' person to take responsibility for bookings, scheduling matches, advertising, maintaining records of results and ensuring that information is passed from one year to the next, the approach in the past has been 'ad hoc'.

The Manager Residential Programs working in collaboration with the Residents' Committee has increased the integration of all residences at MRS and identified the enthusiasm from residents for sporting activities to play a greater part in the community. Consequently, the role of a Clayton Residential volunteer Resident Advisor (Sport & Wellbeing Programs) works in conjunction with the Sport & Wellbeing Representatives from each residence to achieve the following:

VOLUNTEER RESIDENT ADVISOR (SPORT & WELLBEING) PROGRAM AIMS

- To establish 'timely' competitions in a wide range of sports across all residences at Clayton Residential.

- To encourage participation in sporting teams through publicity, offering trophies, advertising results, holding award events and acknowledging efforts of participants.
- To increase residents' involvement by encouraging them to be spectators and support their individual residential sporting teams i.e. wearing team colours, displaying banners, etc.
- To liaise with Monash Sport and other Residential sites in regards to running inter-campus events.
- To enhance the wellbeing focus for residents including mental, psychological, social, emotional and spiritual.
- To facilitate meetings (minimum 1 per semester) with the Sport & Wellbeing Representatives from each hall to ensure proper communication.

VOLUNTEER RESIDENT ADVISOR (SPORT & WELLBEING) ROLE OUTLINE & RELEVANT SKILLS

All tasks as outlined below will be undertaken with support from the Manager Residential Programs and Sport & Wellbeing Committee.

- Meet with the Manager Residential Programs in November to develop a yearly action plan - which will include, but is not limited to, the Sport & Wellbeing Programs outlined previously.
- Complete relevant training outlined in the RA Application process
- Chair (when appropriate/necessary with agenda and minutes, provide a report when required) and coordinate the MRS-wide resident Sport & Wellbeing Committee – where programs and initiatives are developed and planned
- One co-chair is required to attend the Residents' Committee meetings (co-chairs can alternate attending these meetings)
- Communicate effectively with all the Sports & Wellbeing representatives at Clayton and Peninsula.
- Broadly advertise achievements and events through posters and the MRS social media.
- Oversee central MRS social media accounts linked to the relevant Committee

The volunteer Resident Advisor (Sport & Wellbeing) will be provided with guidelines by the Manager Residential Programs and/or Site Manager to assist them with tailoring their contribution to the specific needs of the residential community.

Volunteer Resident Advisors (Sport & Wellbeing Programs) are not employees of MRS or the University and should ensure that they do not represent to students, staff or others that they are employees of MRS or the University. A resident's voluntary contribution to their Hall and wider residential community as a volunteer Resident Advisor (Sport & Wellbeing Programs) does not carry any commitment by MRS or the University, for future employment opportunities.
