[www.monash.edu/pharm/future/courses/postgraduate/internship-training-program](http://www.monash.edu/pharm/future/courses/postgraduate/internship-training-program)

Applications for the Graduate Certificate of Pharmacy Practice (Course Code P4001) for will open from **1 September 2023** to **20 December 2023**.

1. **Apply** for Graduate Certificate of Pharmacy Practice (Course Code P4001) online
  - Go to <http://www.monash.edu/admissions/apply/online>
  - Click on the link for “[apply online for graduate courses in Australia](#)” and follow the prompts.
  - Upload to the applicant portal the following:
    - a scanned copy of your proof of identity/residency (eg passport, visa, birth certificate); and
    - a copy of your most up-to-date academic transcript / study record.
2. Once final results for your Bachelor of Pharmacy have been released and your course completion status has been published by your university, log in to the applicant portal and upload a copy of your official final academic transcript (this must include confirmation of course completion) or share your transcript with [pharmacy.postgrad@monash.edu](mailto:pharmacy.postgrad@monash.edu) via the My eQuals portal.
3. Once you are assessed as meeting the entry requirements for admission, you will be sent a **letter of offer and enrolment instructions** via email.
4. Follow the instructions to accept the offer and enrol in the listed units.

## How to apply: Provisional Registration with AHPRA

The online graduate application service at the Australian Health Practitioner Regulation Agency website enables students to lodge applications for provisional registration four to six weeks before completing their course, with the aim of smoothing the path from study to work.

Apply online at <https://www.pharmacyboard.gov.au/Registration/Internships.aspx>
