

# COURSE PROGRESSION MAP FOR 2024 COMMENCING STUDENTS

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of [Handbook](#).

Please note: the map below reflects the suggested progression through the course, as a guide only.

## A2001 BACHELOR OF GLOBAL STUDIES

The placement of units may be rearranged to provide flexibility in choice of elective units and to support sequencing for double degree courses but care should be taken to ensure sequenced units are maintained in sequence.

For all specialisations you must choose a minimum of 18 points for the overseas study abroad requirement from a combination of: the Global Immersion Guarantee, either ATS3938 Social change in practice, exchange or study abroad, and/or any individual international global study tour units including those international study tour units that are listed under your chosen specialisation or at an overseas partner institution.
