

Holiday Intensive Swimming Program

Registration Form

This 5 day intensive swimming program will assist in consolidating and enhancing water safety, survival skills and stroke development of participants.

With lessons every day for one week, there is improved opportunity for progression of skills. Whether you are already participating in our Learn to Swim program, or you would like to take the plunge and commence your swimming journey, this program is for you!

Monash University Students are eligible for 100% funding to participate in the introductory or beginner lever under the Water Wise program banner.

Program dates: **WEEK 1: 4 April - 8 April, 2016**
