

Monash University MMR Training Program Key Dates 2026

The following document summarises the key dates for **new MMR Pharmacists** seeking to enrol in the Monash University MMR Training Program (MUMTP) in **2026**.

If you are eligible for our recognition of prior learning (RPL) pathway (i.e. currently credentialed MMR pharmacist) or if you have completed elements of the MUMTP during the Intern Foundation Program (IFP), please contact us at pharmacy.microcredentials@monash.edu for information about dates that are suitable for you.

The MUMTP Learner and Supervisor Guide details the full terms and conditions of our program which can be requested by emailing pharmacy.microcredentials@monash.edu. A copy of this guide is also made available during the enrolment process. We request that all learners access and read this guide before completing the enrolment process.

New MMR Pharmacists Pathway

What are the key dates for the program?

There will be four enrolment intakes into the MMR training program for 2026.

Intake 1 (February 2026)

Enrolment and Conclusion

Enrolments for new MMR pharmacists open	Monday 15 th December 2025
Enrolments for new MMR pharmacists close	Sunday 1 st February 2026
MUMTP concludes (Final assessment deadline)	Wednesday 30 th September 2026

Learners can commence the program once they have successfully enrolled.

Step 1 – Online learning (assessment dates)

To help ensure learners are prepared for the workshops and simulated assessments, we request that assessments associated with the online learning material are completed by the deadline below. Requests for extensions/special consideration must be made at least 2 working days prior to this deadline.

Online assessments due	Sunday 15 th February 2026
------------------------	---------------------------------------

Step 2a – Simulation Workshop Dates

New MMR pharmacist learners are required to attend two simulation workshops (workshop 1 and 2) to practice their MMR skills. Workshops are delivered online via Zoom

Workshop 1: RMMRs	Wednesday 4 th March 2026 7-9pm (AEDT)
Workshop 2: HMRs	Wednesday 11 th March 2026 7-9pm (AEDT)

Step 2b – Simulated assessments

All new MMR pharmacist learners will be required to complete an Observed Structured Clinical Examination (OSCE). This is an oral examination conducted over Zoom during which learners will be assessed on their history taking skills and communication in the context of a simulated MMR.

New learners must sign up for ONE of the following dates/times. Learners will be asked to sign up to a ONE-hour OSCE session via an online booking system within the Morning or Afternoon session times advertised. Learners can change their session time up until the closing date pending availability. Every effort will be made to accommodate the learners' preferred date, sign-up for available sessions **will close 10 days prior to the advertised dates.**

March and April 2026	
Wednesday 18 th March	Morning session (9am-12pm) AEDT
	Afternoon session (12:30pm-4pm) AEDT
Wednesday 22 nd April	Morning session (9am-12pm) AEST
	Afternoon session (12:30pm-4pm) AEST

Step 3 – Experiential learning

All new MMR pharmacist learners will be required to complete an MMR visit under the supervision of a credentialed MMR pharmacist who meets specific eligibility criteria. These supervised visits are expected to take place between April and August 2026.

Intake 2 (April 2026)

Enrolment and Conclusion

Enrolments for new MMR pharmacists open	Monday 16 th March 2026
Enrolments for new MMR pharmacists close	Sunday 19 th April 2026
MUMTP concludes (Final assessment deadline)	Thursday 31 st December 2026

Learners can commence the program once they have successfully enrolled.

Step 1 – Online learning (assessment dates)

To help ensure learners are prepared for the workshops and simulated assessments, we request that assessments associated with the online learning material are completed by the deadline below. Requests for extensions/special consideration must be made at least 2 working days prior to this deadline.

Online assessments due	Sunday 3 rd May 2026
------------------------	---------------------------------

Step 2a – Simulation Workshop Dates

Step 2b – Simulated assessments

All new MMR pharmacist learners will be required to complete an Observed Structured Clinical Examination (OSCE). This is an oral examination conducted over Zoom during which learners will be assessed on their history taking skills and communication in the context of a simulated MMR.

New learners must sign up for ONE of the following dates/times. Learners will be asked to sign up to a ONE-hour OSCE session via an online booking system within the Morning or Afternoon session times advertised. Learners can change their session time up until the closing date pending availability. Every effort will be made to accommodate the learners' preferred date, sign-up for available sessions **will close 10 days prior to the advertised dates.**

June 2026	
Wednesday 3 rd June	Morning session (9am-12pm) AEST
	Afternoon session (12:30pm-4pm) AEST
Wednesday 24 th June	Morning session (9am-12pm) AEST
	Afternoon session (12:30pm-4pm) AEST

Step 3 – Experiential learning

All new MMR pharmacist learners will be required to complete an MMR visit under the supervision of a credentialed MMR pharmacist who meets specific eligibility criteria. These supervised visits are expected to take place between July and November 2026.

Intake 3 (July 2026)

Enrolment and Conclusion

Enrolments for new MMR pharmacists open	Monday 18 th May 2026
Enrolments for new MMR pharmacists close	Sunday 5 th July 2026
MUMTP concludes (Final assessment deadline)	Thursday 31 st March 2027

Learners can commence the program once they have successfully enrolled.

Step 1 – Online learning (assessment dates)

To help ensure learners are prepared for the workshops and simulated assessments, we request that assessments associated with the online learning material are completed by the deadline below. Requests for extensions/special consideration must be made at least 2 working days prior to this deadline.

Online assessments due	Sunday 19 th July 2026
------------------------	-----------------------------------

Step 2a – Simulation Workshop Dates

New MMR pharmacist learners are required to attend two simulation workshops (workshop 1 and 2) to practice their MMR skills. Workshops are delivered online via Zoom

Workshop 1: RMMRs	Wednesday 5 th August 2026 7-9pm (AEST)
Workshop 2: HMRs	Wednesday 12 th August 2026 7-9pm (AEST)

Step 2b – Simulated assessments

All new MMR pharmacist learners will be required to complete an Observed Structured Clinical Examination (OSCE). This is an oral examination conducted over Zoom during which learners will be assessed on their history taking skills and communication in the context of a simulated MMR.

New learners must sign up for ONE of the following dates/times. Learners will be asked to sign up to a ONE-hour OSCE session via an online booking system within the Morning or Afternoon session times advertised. Learners can change their session time up until the closing date pending availability. Every effort will be made to accommodate the learners' preferred date, sign-up for available sessions **will close 10 days prior to the advertised dates.**

August and September 2026	
Wednesday 19 th August	Morning session (9am-12pm) AEST
	Afternoon session (12:30pm-4pm) AEST
Wednesday 16 th September	Morning session (9am-12pm) AEST
	Afternoon session (12:30pm-4pm) AEST

Step 3 – Experiential learning

All new MMR pharmacist learners will be required to complete an MMR visit under the supervision of a credentialed MMR pharmacist who meets specific eligibility criteria. These supervised visits are expected to take place between September 2026 and February 2027. Please note that no supervised visit arrangements will be made between 14th December 2026 and 4th January 2027 due to staffing capacity and the University holiday closure.

Intake 4 (September 2026)

Enrolment and Conclusion

Enrolments for new MMR pharmacists open	Monday 20 th July 2026
Enrolments for new MMR pharmacists close	Sunday 13 th September 2026
MUMTP concludes (Final assessment deadline)	Wednesday 30 th June 2027

Learners can commence the program once they have successfully enrolled.

Step 1 – Online learning (assessment dates)

To help ensure learners are prepared for the workshops and simulated assessments, we request that assessments associated with the online learning material are completed by the deadline below. Requests for extensions/special consideration must be made at least 2 working days prior to this deadline.

Online assessments due	Sunday 27 th September 2026
------------------------	--

Step 2a – Simulation Workshop Dates

New MMR pharmacist learners are required to attend two simulation workshops (workshop 1 and 2) to practice their MMR skills. Workshops are delivered online via Zoom

Workshop 1: RMMRs	Wednesday 14 th October 2026 7-9pm (AEDT)
Workshop 2: HMRs	Wednesday 21 st October 2026 7-9pm (AEDT)

Step 2b – Simulated assessments

All new MMR pharmacist learners will be required to complete an Observed Structured Clinical Examination (OSCE). This is an oral examination conducted over Zoom during which learners will be assessed on their history taking skills and communication in the context of a simulated MMR.

New learners must sign up for ONE of the following dates/times. Learners will be asked to sign up to a ONE-hour OSCE session via an online booking system within the Morning or Afternoon session times advertised. Learners can change their session time up until the closing date pending availability. Every effort will be made to accommodate the learners' preferred date, sign-up for available sessions **will close 10 days prior to the advertised dates.**

October and November 2026	
Wednesday 28 th October	Morning session (9am-12pm) AEDT
	Afternoon session (12:30pm-4pm) AEDT
Wednesday 25 th November	Morning session (9am-12pm) AEDT
	Afternoon session (12:30pm-4pm) AEDT

Step 3 – Experiential learning

These supervised visits are expected to take place between December 2026 and May 2027. Please note that no supervised visit arrangements will be made between 14th December 2026 and 4th January 2027 due to staffing capacity and the University holiday closure.

What if I am also completing the Monash University ACOP Training Program at the same time as this MMR program?

Learners who are completing the Monash University MMR Training Program (MUMTP) at the same time as our ACOP training program should also consult the key dates for the Monash University ACOP Training Program (MUATP) here <https://www.monash.edu/pharm/future/courses/postgraduate/aged-care-on-site-pharmacist>

Any further questions?

Please feel free to contact us at pharmacy.microcredentials@monash.edu
