SCOPE

This procedure is applicable to fixed-term and continuing academic, professional and trades and services staff, herein collectively referred to as 'you' for the purpose of this procedure. It does not apply to casual or sessional staff or unpaid adjunct/honorary appointees.

In this procedure, the Enterprise Agreement means the Monash University Enterprise Agreement (Academic and Professional Staff) 2019 or the Trades and Services staff (Building and Metal Trades staff) 2009 or Trades and Services staff (Catering and Retail, Cleaning and Caretaking, and Miscellaneous services staff) 2005 as applicable to you in accordance with your contract of employment. Links to relevant clauses are included in this procedure.

PROCEDURE STATEMENT

Eligible staff of the University ('us', 'our' or 'we') accrue annual leave entitlements in accordance with the relevant enterprise agreement. This procedure specifically relates to annual leave entitlements and the management of the accrual and taking of such leave.

1. Applying for annual leave

1.1 You should discuss your annual leave requirement with your supervisor who will consider the operational implications of you being absent during this time and how to ensure that your absence will have minimal impact on the operations of the work unit.

1.2 If you are an academic staff member, you may elect to make an annual declaration that you will take your full annual leave entitlement for a calendar year during the course of that year, rather than applying for annual leave on each occasion that you take it. The terms and conditions of this arrangement are outlined in the section entitled Academic annual leave declaration below.

1.3 If the proposed timing is agreed with your supervisor, you should then apply for annual leave online through ESS.

1.4 The period of leave is to be recorded as commencing on the next working day after duties cease and as ending on the working day prior to your return to duty. The amount of leave taken is to be recorded as the sum total of the working days/fractions of days ordinarily worked by you, excluding any University holidays, during the leave period.

1.5 All leave approvals are subject to verification by Monash HR that you have an entitlement to the claimed leave.

1.6 If you work part-time, you must ensure that the specified annual leave days that you apply for are the same as those listed in your work schedule. If a work schedule is not in place or has changed, an updated schedule should be submitted.

1.7 The amendment or cancellation of an application for annual leave is to be processed through ESS.

2. Annual leave entitlements

2.1 Your annual leave entitlements are outlined in the relevant enterprise agreement. The applicable enterprise agreement clauses are:

9. Annual leave declaration scheme

9.1 In December each year, eligible academic staff may elect to participate in the annual leave declaration scheme wherein you declare that you will take your full annual leave entitlement in the following calendar year (the “declaration period”) rather than applying for annual leave on each occasion that you take it.

9.2 You must meet the following eligibility criteria in order to participate in this scheme:

- You are an academic staff member.
- Your annual leave balance must not be in excess of 30 days (pro-rata) as at 31 December of the year immediately prior to the commencement of the declaration period.
- You should have accrued annual leave credits or an annual leave balance of zero as at 31 December of the year immediately prior to the commencement of the declaration period (i.e. not in the negative), subject to the above excess annual leave criterion.
- You should not be the subject of performance management or disciplinary action.
- If you are a fixed-term staff member, you must have an employment contract for the duration of the declaration period.

9.3 You must agree to the conditions below, effective from 1 January of the declaration period:

- At the completion of the declaration period, you will be taken to have exhausted your full annual leave entitlement for that year. Your full annual leave entitlement for that year will be deducted accordingly in two instalments by Monash HR, in June and December.
- For any annual leave taken under this scheme you must:
  - Discuss your annual leave requirements with your supervisor who will consider the operational implications of you being absent during this time and how to ensure that your absence will have minimal impact on the operations of the work unit;
  - Your supervisor must agree to the proposed timing prior to you taking leave;
  - Retain records of your annual leave dates;
  - Be able to produce the records upon the request of any authorised University representative and;
  - Where your dates differ to the bi-annual deductions and are agreed with your supervisor, you must make a record of your dates of annual leave and provide this information to Monash HR for recording.

- Any annual leave of 30 days or less (or pro rata thereof for part-time staff) that was accrued up to 31 December of the year immediately prior the commencement of the declaration period will remain as part of your annual leave balance. You may either apply to use this annual leave through ESS or the entitlement will be paid out to you at termination.
- If your employment is terminated during the declaration period, you will inform Monash HR of your absences up to the date of termination. Monash HR will then reconcile your leave entitlements accordingly.
- If you take a period of parental leave during the year, you will not be permitted to top-up your 60% parental leave entitlement with any annual leave that is subject to this arrangement (as otherwise allowed in the Pre-natal and parental leave procedure).
- You will not be entitled to apply for advanced payment of annual leave.
- If you are transferred to a new leave and/or performance supervisor during the year, you must inform your new supervisors of the arrangement and provide records of annual leave already taken during the declaration period.

9.4 If you are not participating in this scheme, you apply for annual leave through ESS as outlined above in ‘Applying for annual leave’. 
10. **Annual leave cash out (academic and professional staff)**

**Eligibility**

10.1 If you are employed under the *Monash University Enterprise Agreement (Academic and Professional Staff) 2019* (including staff members on a Performance-Based Contract (PBC)), you are eligible to apply to cash out annual leave if you are currently in fixed-term or continuing employment and meet either of the following criteria:

- you have not previously had an application to cash out annual leave granted; or
- you will have excess annual leave (EAL) as at 31 December as a consequence of a fraction of employment reduction subsequent to 30 November in the same year and you make application to cash out by 7 January in the following year.

**Application process**

10.2 If you are applying for annual leave cash out, you must apply in writing to hr@monash.edu or to Monash HR, Monash University VIC 3800 and the Chief Human Resources Officer will consider your application.

10.3 Applications submitted by PBC staff will also be referred to the Office of the Chief Operating Officer and Senior Vice-President prior to determination.

10.4 You are encouraged to seek financial advice before making an application to cash out annual leave.

**Consideration of applications**

10.5 In the interests of occupational health and wellbeing, we encourage you to take annual leave in the year in which it accrues. However, consideration will be given to applications to cash out annual leave for the genuine management of excessive annual leave balances or in extenuating circumstances, such as situations of financial hardship.

10.6 Applications will not be granted where:

- less than a week's annual leave (or equivalent thereof for part-time staff) is to be cashed out;
- your annual leave balance will be reduced to less than four weeks (or equivalent thereof for part-time staff) by the cash out of annual leave; and/or
- the cash out is for past rostered and deemed annual leave.

**Notification process**

10.7 Monash HR will notify you of the outcome your application.

10.8 No notification of the outcome to PBC staff will proceed until confirmed by the office of the Chief Operating Officer and Senior Vice-President.

10.9 If the application is granted, Monash HR will:

- arrange completion and signature of the relevant prescribed Annual Leave Cash-Out Agreement (the "Agreement") pro forma;
- proceed with the cash out of annual leave in accordance with the Agreement when the Agreement is completed and signed;
- retain the original of the completed and signed Agreement for our records; and
- provide a copy of the completed and signed Agreement to you.

**Cash out of annual leave**

10.10 The cash out of annual leave will be processed by Monash HR. It will not be superannuable and does not count as service.

11. **COVID-19 direction to take annual leave – academic and professional staff**

11.1 Your Dean/Executive Director will confer with your HR Business Partner where you are an academic or professional staff member and you are identified as under-utilised due to an insufficiency of work because of the impact of the COVID-19 pandemic. Your HR Business Partner will arrange for Monash HR to attempt to find other work for you to perform to ensure you are fully employed.

11.2 Where the attempt to find other work is unsuccessful, the Chief Human Resources Officer will be briefed by Monash HR to decide whether you should be issued a direction to take annual leave.
11.3 Where the Chief Human Resources Officer decides that a direction to take annual leave is reasonable and should be issued, a letter to you will be prepared. The period of annual leave directed to be taken will:

- not be at a time when you would otherwise have grant applications or other unavoidable work obligations to undertake;
- be capable of being completed by you within two months from the date of the letter without the necessity for either an increase in your fraction of employment or commencement of the period of annual leave within two weeks from the date of the letter; and
- allow you to retain a minimum balance of 10 days of accrued annual leave (pro rata if you are a part-time staff member) on completion of the period of annual leave directed to be taken.

11.4 Your HR Business Partner and your supervisor will meet with you to deliver the letter directing you to take annual leave. The University’s workload and performance expectations of you for the ensuing two-month period will take into account the annual leave that you have been directed to take and will be adjusted accordingly.

11.5 After you have received the letter directing you to take annual leave, you and your supervisor will then enter into discussions to agree on the dates for the annual leave to be taken in accordance with the direction issued. The annual leave directed to be taken is required to be taken within two months of the date of the letter delivered to you.

11.6 When the dates of the annual leave to be taken in accordance with the direction issued are agreed between you and your supervisor, those dates will be submitted online by you through ESS in accordance with paragraph 1.3 of this Procedure.

11.7 The Chief Human Resources Officer may also decide that it is reasonable that you should be issued a direction to take annual leave where you are not under-utilised due to an insufficiency of work because of the impact of the COVID-19 pandemic but you do have excess annual leave. In that case, paragraphs 11.3-11.6 above will apply.

11.8 Paragraphs 11.1-11.5 and 11.7 of this Procedure will only remain operative up to 30 June 2021.

12. Annual leave on resignation and termination

12.1 For information on the payment of accrued annual leave entitlements on resignation from the University, refer to the Resignation and Exiting the University Procedure.

13. Breach of procedure

13.1 We treat any breach of our policies or procedures seriously. We encourage reporting of concerns about non-compliance and manage compliance in accordance with the applicable Enterprise Agreement or contract terms.
