## STUDYING AT MONASH UNIVERSITY AUSTRALIA

Studying at Monash University means studying at one of the world's top 100 universities. And we are the only Australian member of the prestigious M8 Alliance of academic health centres and medical universities.

Your studies at Monash Nursing and Midwifery will be in partnership with the widest range of health care academics, with links to multiple professional bodies – we ensure your education is current and in-line with the latest in evidence-based practice.

A graduate degree from Monash Nursing and Midwifery enables you to achieve so much, both personally and professionally. You will be at the forefront of the next generation of nursing and midwifery leaders, challenging preconceptions and leading the way in new techniques, evidence-based practice and innovative ways of working.
