Monash Residential Services - The Role of a Resident Advisor (Sports Programs)

Context
The first four Mission Goals of Monash Residential Services are to provide and develop an environment within each location on campus that:

- Provides care, support and enrichment for the residential community in academic, cultural, personal, social and recreational matters;
- Has regard for the individual and group needs of the residential population, bearing in mind the multi-cultural nature of each residential location and the wider Monash University community;
- Recognises and values diversity (e.g. nationalities, beliefs, abilities, talents, interests, etc);
- Creates opportunities for mutually beneficial interaction between the members of the residential community

Monash Residential Services [MRS] gratefully acknowledges that there are current residents who demonstrate a strong commitment and willingness to undertake and be involved in a range of voluntary activities, programs and initiatives that contribute to the enhancement of community life in their Hall or Site and wider residential community.

As volunteers, Resident Advisors cannot be rostered ‘on-call’ – their contribution to their hall is entirely voluntary - and is essentially a community support, engagement and development role which demonstrates a strong commitment to actively participating in enriching and promoting community life within their Hall and wider residential community. As an acknowledgement of the contribution to residential communities made by Resident Advisors, an MRS Resident Advisor Scholarship may be offered to residents.

Expectations of a Resident Advisor

Resident Advisors are expected to uphold and model exemplary behaviour and conduct and be an example to others as well as an ambassador for their Residence and Monash University. The conduct of Resident Advisors is expected to be at an exceptional level at all times within Residence as well as when the resident is (reasonably perceived as) representing or engaging in activities associated with their Residence or MRS.

Resident Advisors are expected to complete any requirements outlined in the application form for Resident Advisors, including, but not limited to:

- Completing accredited Mental Health First Aid Training
- Obtaining a Victorian Working with Children Check (Volunteer) card
- Completing Monash University Equal Opportunity (Students) online training
- Fulfilling any designated MRS Required Training Commitments – as outlined in the application and appointment process.

Resident Advisors contribute to the creation of a Residential Support Team within their Hall. The Expectations set out below are a means to achieving the above Mission Goals and are to be fulfilled in collaboration with, and support of, the whole of the Residential Support Team of each residential hall or MRS site. The central expectation is that RAs will be the model resident – actively promoting the values and expectations of MRS in their actions (both formal and informal). RAs are expected to inform their College Head of information which is important to the residential community and/or has the potential to impact the experience of residents or the reputation of MRS – RAs must disclose to their College Head or other appropriate person(s) at MRS, any personal conduct or situation(s) outside of MRS, within the University or wider community, which has the ability to influence the reputation of the RST and detrimentally impact MRS.

Sports Program Overview

Over the years there have been many residents at Clayton Residential who have been committed to establishing ‘hall’ based sporting activities, however, without a ‘central’ person to take responsibility for bookings, scheduling matches, advertising, maintaining records of results and ensuring that information is passed from one year to the next, the approach in the past has been ‘ad hoc’.

The Manager, Residential Support Engagement & Development working in collaboration with the Residents’ Committee has increased the integration of all residences at MRS and identified the enthusiasm from residents for sporting activities to play a greater part in the community. Consequently, the role of a Clayton Residential Resident Advisor (Sports Programs) works in conjunction with the Sports Representatives from each residence to achieve the following:
**Sports Program Aims**

- To establish ‘timely’ competitions in a wide range of sports across all residences at Clayton Residential.
- To encourage participation in sporting teams through publicity, offering trophies, advertising results, holding award events and acknowledging efforts of participants.
- To increase residents’ involvement by encouraging them to be spectators and support their individual residential sporting teams i.e. wearing team colours, displaying banners, etc.
- To liaise with Monash Sport and other Residential sites in regards to running inter-campus events.
- To facilitate monthly meetings with the Sports Representatives from each hall to ensure proper communication.

The Resident Advisor (Sports Programs) will be provided with operating guidelines by the Manager, Residential Support Engagement & Development and/or Site Manager to assist them with tailoring their contribution to the specific needs of the residential community, and will be offered a full range of training relevant for their role.

Resident Advisors (Sports Programs) are not employees of MRS or the University and should ensure that they do not represent to students, staff or others that they are employees of MRS or the University. A resident’s voluntary contribution to their Hall and wider residential community as a Resident Advisor (Sports Programs) does not carry any commitment by MRS or the University, for future employment opportunities.

**Other items of consideration**

- Monash Residential Services reserves the right at any time to advise residents they no longer require their voluntary contribution to the community as a Resident Advisor.
- All residents living at a Monash Residential Services site, whether they are residents or residents who have offered to be volunteer Resident Advisors:
  - are bound by the terms of their individual Residency Agreements;
  - accept and acknowledge that they will abide by MRS Accommodation Fee Regulations, the Conditions of Residency and other regulations as are specified on the MRS web page.
  - must pay all requisite fees at the times specified;
  - accept all other such regulations as are specified in Resident Advisor online induction and to abide by the disciplinary authority of the College Head, MRS Site Managers or other appropriate persons.

**Rewards**

In addition to the possibility of a MRS Resident Advisor Scholarship, the position of a Resident Advisor (Sports Co-ordinator) provides the opportunity to:

- Be part of a community and to lead, foster and nurture that community.
- Assist new residents’ transition to on-campus life through sharing your own experiences.
- Develop leadership skills through attendance at MRS training workshops.
- Undertake certified training courses.
- Help make MRS a more exciting, inclusive, safe and enjoyable place to live.
- Gain new perspectives on a diverse range of issues through working in a team and with residents from diverse cultures and backgrounds.
- Know you can ‘make a difference’.
