

Monash Rural Health Student Accommodation: Policy

Purpose

To ensure equitable and unbiased access to student accommodation across Monash Rural Health sites for short-term and long-term clinical placements, where available.

Scope

Students, staff and key stakeholders of Monash Rural Health, Monash University

Policy Statement

Monash Rural Health will ensure that access to all rural site accommodation will include:

- equity for all Monash medicine, nursing and allied health students across all sites, including north-west and south-east regional and rural sites;
- short-term Monash Rural Health accommodation for non-Monash University Australian domestic nursing and allied health students;
- student accommodation income and expenditure which is sustainable across all sites; and
- an environmental footprint which is guided by the Monash University Environmental Policy.
