D6007 Master of Educational and Developmental Psychology

Campus	Mode	Intakes
Clayton	On-campus	Semester 1

D6007 Handbook entry: refer to the Handbook for authorised course and unit information. Please note that the links in this map will direct you to the current version of the handbook entry. You can access previous versions of course and unit information by using the 'year switcher' located within a current course or unit entry.

Course requirements

- Students must complete a total of 96 credit points.
- Students must complete the required units as per the below course map.

Course notes

- On commencing the course and prior to commencing placement, students must obtain provisional registration with the Psychology Board of Australia. This registration must be maintained for the duration of the course.
- All students are required to complete a practice log. Accumulated hours are resulted when students enrol into EDF5572.
- In Year 2 (full-time) or Years 3 and 4 (part-time), students complete two supervised clinical placements and complete a research thesis on a topic relevant to the discipline of educational and developmental psychology.
- Students must complete professional experience orientation provided by the faculty prior to undertaking any professional experience.
- Some days and hours may be transferred between the two clinical placement units with **the prior written permission of the Chief Examiner of the final placement unit EDF5733**.
