

COURSE PROGRESSION MAP FOR 2026 COMMENCING STUDENTS

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each term of study. Students may also be eligible to undertake up to one academic semester of study at MUA. While the unit offering information is correct at the time of publication, changes may occur. It is recommended that you consult with the relevant Faculty Student Services staff when planning your course and refer to the Handbook entry for each unit prior to the start of each term. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook.
