

NAME		IGCP NUMBER	ROLE	TITLE IGCP PROJECT	MEETING AND DATE	POST-MEETING REPORT SUPPLIED (y/n)
Susan Walter	Federation Uni, Ballarat Campus	igcp 637	student	Heritage stone designation" and the "Heritage Stone Task Group" (HSTG) of IUGS	1-4 November 2015. Geological Society of America (GSA) conference, Baltimore, Maryland USA	
Pat Vickers-Rich	Monash Uni	igcp 587	project leader	Of Identity, Facies and Time. The Ediacaran (Vendian) Puzzle	30 Sept. 2015 - 24 Oct. 2015. planning of a field conference to be held by IGCP587 just prior to the International Geological Congress in Cape Town, 2016.	
Peter Trusler	Monash Uni	igcp 587	student	Of Identity, Facies and Time. The Ediacaran (Vendian) Puzzle	30 Sept. 2015 - 24 Oct. 2015. planning of a field conference to be held by IGCP587 just prior to the International Geological Congress in Cape Town, 2016.	
Les Kriesfeld	Monash Uni	igcp 587	student	Of Identity, Facies and Time. The Ediacaran (Vendian) Puzzle	30 Sept. 2015 - 24 Oct. 2015. planning of a field conference to be held by IGCP587 just prior to the International Geological Congress in Cape Town, 2016.	
Jeff Smith	Monash Uni	igcp 587	student	Of Identity, Facies and Time. The Ediacaran (Vendian) Puzzle	30 Sept. 2015 - 24 Oct. 2015. planning of a field conference to be held by IGCP587 just prior to the International Geological Congress in Cape Town, 2016.	
Romana Dew	Uni Adelaide	igcp 589	student	Development of the Asian Tethyan Realm	October 26th to November 1st 2015. The 4th International Symposium of the International Geosciences Programme Project 589, Bangkok,	
Barry Cooper	Uni South Australia	igcp 637	project leader	Heritage Stone Designation	31 October- 5 November 2015. Part of Geological Society of America Meeting Baltimore	
Camilla Stark	Curtin Uni	igcp 648	student	Supercontinent Cycles and Gobar Geodynamics	9-13 December 2015 Field Symposium Hawaii and 14-18 December 2015 AGU San Francisco	
Mike Tetley	Sydney Uni	igcp 648	student	Supercontinent Cycles and Gobar Geodynamics	9-13 December 2015 Field Symposium Hawaii	
Susan Turner	Queensland Museum	igcp 632	Aus. correspondent	Geologic and biotic events on the continent during the Jurassic/Cretaceous transition	12-19 September 2015, Shenyang China	
Richard Glen	Macquarie Univesity	igcp 592	regional leader SW Pacific & Metallogeny	Continental construction of the Altaids (Central Asian Orogenic Belt) compared to actualistic examples from the Western Pacific	23-25 September 2015, Beijing, China. First China-Russia International Meeting on the Central Asian Orogenic Belt and IGCP 592 Workshop September 23-25, 2015,	
TOTAL ALLOCATED						
TOTAL SPENT						
				^ requested \$1000 but committee members increased to \$1500	* attendance funded but could not be taken up and thus refunded after funds disbursed.
