**Irregular maritime arrivals, legacy caseload 2017**

Legacy caseload refers to irregular maritime arrivals (asylum seekers) who arrived in Australia between 13 August 2012 and 18 September 2013. The legacy caseload includes some 30,000 people who are only able to apply for a subclass 785 Temporary Protection Visa (TPV) or a subclass 790 Safe Haven Enterprise Visa (SHEV) valid for up to five years, and first require ministerial approval to lodge an application.
