Easy English

This form has some hard words.

The first time we write a hard word it is **blue**.

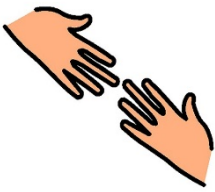

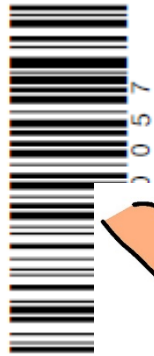

We write what the hard word means.

Information about the study

This form is about a **study** by Monash University. Study means to learn more about something.

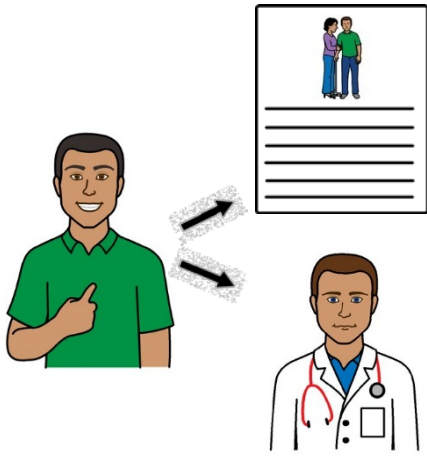

This study is about how people can get help to see a doctor.

A research group will do the study for Monash University.

The study

- is a survey
- might be an interview.

You can help with the study because

- you are in the **Monash Health Community Program**
- you said **I want help to find a doctor.**

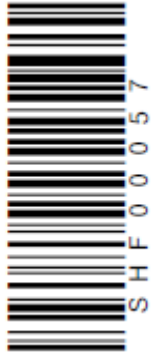

We need to give **consent** before you can do the study. Consent means you say yes.

Your consent

I understand that

- I do **not** have to do the study

- I can stop at any time

- if I want to stop, it will **not** change the services I get from Monash Health Community Program.

I also understand that

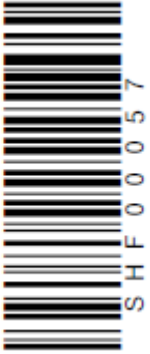

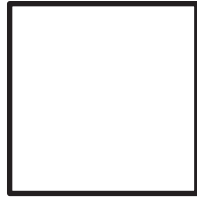

- my information will be **confidential** – confidential means Monash University will not tell anyone my name when they write or talk about the study

- if Monash University wants to tell other people about me they **must** ask me first

To say yes you need to tick the boxes in this form. Each box looks like this.

You need to read this form and understand what it is about.
