The Whyte Fund celebrates the legacy of the late Jean Whyte and her sister Phyllis. Professor Jean Whyte was the foundation professor in the Graduate School of Librarianship at Monash University. The sisters left generous bequests to Monash to support research in librarianship, archives and records, and to support the library’s research collection in English literature, librarianship and philosophy.

The Whyte Lecture
This annual oration aims to provide thought leadership and inspiration in the librarianship, archives and records sector by inviting a distinguished speaker. More information on the Wyte Lecture can be found at: monash.edu/it/alumni-and-friends/donations-and-bequests/jean-whyte-bequest

PhD Scholarships
The scholarships cover tuition fees for international students who have been awarded a Monash Graduate Scholarship and who are undertaking research in the field of library and information studies, or archives and records management.

Research Grants
The Whyte Fund provides small project grants for the advancement of research or scholarly publication in librarianship, archives and records.

Travel Grants for PhD Students
The Whyte Fund offers small grants for PhD students for international research visits. They are designed to give PhD students in librarianship, archives and records access to best practices in research, as well as developing their international network and fostering interest in international collaboration.

Partnerships / Joint Research
The Whyte Fund is interested in developing partnerships in order to further advance the fields of librarianship, archives and records.

For more information about jointly sponsoring research projects, a guest speaker or making a donation to The Whyte Fund, please contact Edward Smith.
