Faculty of Engineering
Orientation Program 2019

Monday 25 February 2019

2.45 – 5.00 pm  Monash University International Student Orientation
21 Chancellors Walk, Level 1, Banquet Rooms
Compulsory attendance for international students

Tuesday 26 February 2019

You do not need to register on the Orientation Planner. The Faculty will allocate you to a workshop group number and will send you an email just before orientation with a personalised itinerary with your allocated workshop group number and the workshop day (Tuesday or Thursday) you are required to attend.

Workshop session rotation - Groups 1-6

12pm - 2pm  Engineering Girl’s Lunch Out!
Dean’s Garden (Kenneth Hunt Memorial Garden), 17 College Walk
Register here

3pm - 5pm  Wominjeka Monash – Official welcome to Monash event
Parkland south of the Alexander Theatre (Ian Potter Centre for Performing Arts), next to the Learning and Teaching Building, 19 Ancora Imparo Way
Performances, food trucks and fun!
Faculty of Engineering
Orientation Program 2019

Wednesday 27 February 2019

9.00am  Faculty of Engineering Welcome
Robert Blackwood Hall, 49 Scenic Boulevard
All new students must attend
Formal welcome to all new students in the Faculty of Engineering, includes information about Continuous Professional Development (CPD) - meeting requirements to be a professional engineer

10.15am  Discovery Tour - Engineering precinct
After Faculty Welcome the tour groups depart from Robert Blackwood Hall
Current students will take you on a group tour of the engineering precinct. The tour will conclude at a lecture theatre for the commencement of the Faculty information sessions.

11.00am  Faculty of Engineering Information Sessions
Three information sessions presented in your lecture theatre between 11.00am - 12.40pm

*Important things you need to know – information and expectations
*Study Success in Engineering – how to approach your studies
*Student Opportunities – opportunities that enhance your learning experience

S3 Lecture Theatre - 16 Rainforest Walk or
S4 Lecture Theatre - 16 Rainforest Walk or
South 1 Lecture Theatre – 43 Rainforest Walk
Students remain in their designated theatre while the session presenters rotate between the lecture theatres.

Note: During each presenter rotation, an ambassador from Monash Non Residential Colleges sector will briefly speak to a different lecture theatre student audience about peer and pastoral support, and support of social engagement through the provision of various on campus events.

12.45pm  Monash Engineering Students Society BBQ Lunch
Kenneth Hunt Memorial Garden (Engineering Dean’s Garden) 17 College Walk
MESS students invite you to share a free BBQ lunch

1.45pm  Library Resources & Academic Integrity
Teaching Room 3, Hargrave-Andrew Library, 13 College Walk
International 2+2 students must attend
Thursday 28 February 2019

Friday 1 March 2019

1.00 – 3.00 pm  New to Australia: Connect and Succeed

*Ground Floor, S3 lecture theatre, 16 Rainforest Walk, Clayton campus*

For international Students. Attendance optional
Faculty of Engineering  
Orientation Program 2019

Optional Engineering Workshops offered during Orientation Week

*Limited places so register now!*

**Mechanical Engineering**

Tuesday 26\(^{\text{th}}\) Feb 2019, 9.00am -12.00pm **OR** 1.30pm - 4.30pm

Do you like playing with Meccano? What about K'NEX or Lego? Ever looked at something and wondered how or why it worked, particularly how or why it moved? Well, you should have a think about Mechanical Engineering and our Orientation Workshop. Based on Theo Jansen’s Strandbeest (check them out on Youtube!) our Walking Machine has been designed by actual final year students using skills you too could learn in a Mechanical Engineering degree.

In the workshop, you will get to play around and build your own walking machine in teams and get a taste for some of the best parts of Mechanical Engineering. It will be heaps of fun and you will get to meet some awesome people (including your fantastic demonstrators/tutors).

Register here

---

**Mechatronics Engineering**

Thursday 28\(^{\text{th}}\) Feb 2019 9.00am – 12.00pm **OR** 1.30pm – 4.30pm

Are you 80% considering Mechatronics Engineering but not 100% sure yet? You like robotics but also Lego, you want to code but also get your hands dirty?

Well then, you should come along to the Mechatronics Engineering O-week Workshop. Monash's Engineering final year students have built their own robotic arm based on the pocket sized MeArm (pictured above) and in the workshop, you will get to build YOUR VERY OWN ONE! Places are limited so sign up quickly!

Register here

---

**Aerospace Engineering**

Wednesday, 27\(^{\text{th}}\) Feb 1.30pm – 4.30pm

Ever looked up at a plane and wondered how it gets up so high? Aerospace engineering deals with rockets, planes, cars and heaps of other moving and flying machines. During Week, the department of Mechanical and Aerospace engineering is running a workshop to highlight some of the concepts that you will learn during your Aerospace engineering course.

In the session, you will get to design a flying contraption in a team, then launch on the Monash sport oval. There are even prizes for the best designs! There will be demonstrators who are current Aerospace engineering students that can answer any questions you have about the course.

Register here
