

Monash Education Academy Writing a competitive application Fellowship Scheme Workshops

Monday 13 and Tuesday 14 July 2015
10.00am - 12.00pm
Lunch provided

The Monash Education Academy is looking for talented and outstanding individuals to become Fellows of the Academy.

The Monash Education Academy is holding a series of workshops to assist colleagues in preparing their applications. Over two hours you will enhance your ability to address the criteria and build a competitive application in a supportive environment.

During the workshop you will:

- draft components of an application including identifying leadership philosophy and consider how your experience can be presented as evidence
- gain feedback on your application from peers and Academy staff, as well as have the opportunity to clarify questions
- develop a greater understanding of the scheme and the role and expectations of Monash Education Academy Fellows.

Attendees should bring their laptops or tablets and be prepared to do some writing.

For further information and to download an application form visit: monash.edu/academy

The Fellowship Scheme is open to all staff, academic and professional, who are involved in teaching and learning.
