Where is the EOI Application?
The NCP Scholarship EOI Application is found in the Monash Abroad Portal (MAP).

EOI Application Tips

- Better articulation of your motivations for, and interest in, applying for the NCP and their choice of host location
- A defined and carefully considered study plan and an internship or mentorship (the latter does not need to have been confirmed or finalised at the time of application or interview)
- A strong awareness of how the scholarship would benefit the applicant's academic studies, and how an internship or mentorship might help applicants to define or achieve their future goals
- Greater demonstration of academic accomplishments at the university level
- Stronger examples of leadership, as opposed to participation, within the applicant's community activities
- Greater demonstration of a capacity for self-reflection, including an acknowledgement of personal limitations and identifying areas for improvement, and
- An ability to relate the scholarship proposal to the broader NCP goals and Australia's interests (in addition to the student's personal goals).

Independent Study Abroad

Who should consider Independent Study Abroad?
If exchange options are limiting for your degree or NCP Scholarship application

What should I know about Independent Study Abroad?
You are required to meet with the Monash Abroad International Education Coordinator for the region you wish to go abroad to discuss your semester options before registering for Study Abroad.

You will still need to submit and have a study plan approved.

Timelines for study abroad and exchange are the same (i.e. 15 October for Sem 2, 2023).
In order to be eligible for exchange or ISA, you will be **required** to watch a First Steps Information Session and a Regional Advising Session.

First Steps Information Session
In this session we'll cover

- types of programs available
- whether you are eligible
- how to register

Regional Advising Session
In this session we'll cover

- country-specific information
- refined eligibility
- living in your region as an exchange student

After viewing both information sessions, you may elect to book into the Asia Group Advising Session with Tracy (held weekly via Zoom) or book a 1:1 consultation with Tracy.
