

Monash Innovation Guarantee Timeline

This is a map of key engagement points for you as a challenge owner.

POSE CHALLENGE

All you need is an authentic question or issue from any part of your organisation. Lodge this at our website and we'll get back to you within two weeks.

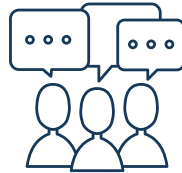

(BEFORE OCTOBER)

<10 MINUTES TO COMPLETE

PRE-MIG BRIEFING

The MIG team will organise a time to brief you on how the unit will run and schedule your three check-in points with students in January. We'll also identify a suitable Monash coach to guide your teams through the process.

(OCTOBER)

1 HOUR

TEAM SELECTION

The MIG team will notify you of your challenge teams, consisting of students from different disciplines, per your challenge's requirements.

(DECEMBER)

VIA EMAIL

MIG WEEK 1: CHALLENGE LAUNCH

Join your challenge teams and introduce them to your challenges and answer any burning questions they may have. No prep is required. You can host the students in your organisation or visit us at 750 Collins Street, Melbourne CBD.

(JANUARY)

1.5 - 2 HOURS
AS DESIRED

MIG WEEK 2: INDUSTRY PARTNER VISIT

Host the students at your organisation to give them an immersive experience and help them gain insights to solve the challenge at hand. This can take place anytime between Monday to Thursday, 1 - 5pm

(JANUARY)

1.5 - 4 HOURS
AS DESIRED

MIG WEEK 3: PITCH NIGHT

Join us for a Pitch Night where the teams will share with you their prototypes, recommendations and proposals, followed by brief feedback from you (no prep is required). This will take place at 750 Collins Street, Melbourne CBD.

(JANUARY)

1.5 - 2 HOURS
AS DESIRED

OUTCOMES

The MIG team will send you the final student reports. Get ready for fresh perspectives!

(MARCH)

Monash Innovation Guarantee

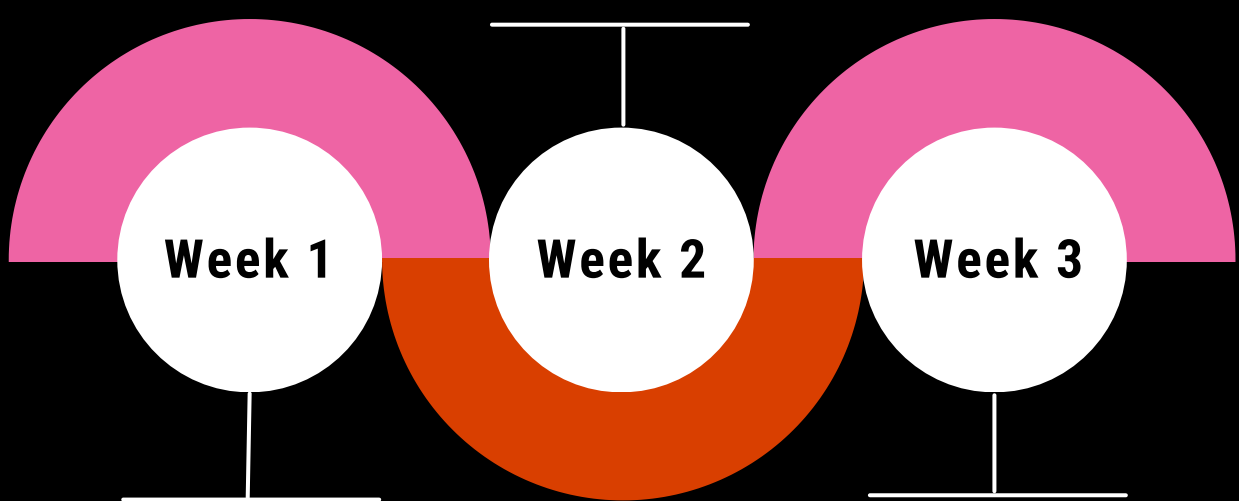

Key touch points

JANUARY 2024

This unit was designed keeping in mind the busy schedule of our partner organisations, with only **3 key touch points** and **no costs involved**. We want to make this experience as easy, accessible and mutually beneficial to all our industry partners as possible.

INDUSTRY PARTNER VISIT

Host the students at your organisation and give them an immersive experience. This will help them gain insights they can then apply to solve the challenge at hand.

CHALLENGE LAUNCH

Join your challenge teams and introduce them to your organisation's challenges and answer any burning questions they may have.

PITCH NIGHT

Hear the student teams present their prototypes, recommendations and proposals. You are encouraged to provide brief feedback.
