[D6002 Handbook entry](#): refer to the Handbook for authorised course and unit information. Please note that the links in this map will direct you to the current version of the handbook entry. You can access previous versions of course and unit information by using the 'year switcher' located within a current course or unit entry.

Course requirements

- Depending on credit granted for prior learning, students complete 96, 72 or 48 credit points.
- Students must complete the required units as outlined in the table below.
- EDF5766 must be completed during the final year of study (within the last two semesters of the course).

Course notes

- A possible pathway to research is available to students who achieve a weighted average mark (WAM) of at least 75% in the units of this course. The pathway is not offered at the point of entry and is not available if you have been admitted at entry level 3 (48-point structure). Visit the [handbook](#) for more information.
- Variations to the course map may be approved to accommodate unit choice, semester of commencement and credit granted.
- Credit may be granted depending on a student's prior qualifications and relevant work experience, as determined by the faculty.
