

# Aalto University School of Business

## Short winter exchange

Aalto University  
School of Business

From beginning of January to end of February

### Welcome to Aalto University, Otaniemi Campus!

Spend unforgettable two months at Aalto University in Finland!

- Complete 12-18 ECTS (2-3 courses) during a seven week period
- You will study in a mixed classroom together with local students and other exchange students
- Orientation will take place first days of January 2026, and the studies will finish no later than 22 February 2025

### Experience the winter wonderland

- The student association organizes a Lapland trip offering a chance to visit the northern part of Finland and see the northern lights
- Finland has an active student life, and there are plenty of events in January and February

### Choose your 2-3 courses from over 40 courses available

- We offer courses in the fields of accounting, economics, finance, management, information and service management, and marketing. In addition, there are culture and language studies available
- Bachelor-level students can take master-level courses, and vice versa, as long as the prerequisites are met

**"Going to Lapland with the KY Sub trip was for sure my highlight. I got a lot closer with fellow exchange students, along with the KY Sub members. Furthermore, I got the opportunity to experience Finnish culture through dog sledding, skiing, and looking for the Northern Lights."**
