## Purpose
To provide the Monash community with a guide to the appropriate use of social media.

### POLICY STATEMENT

Monash University embraces the use of social media by staff, students and associates to connect with each other and a broader community of researchers, business partners, alumni, supporters and colleagues as an important tool of academic, community, and business engagement.

With the rapid growth and application of social media, Monash University recognises the need to have a policy and procedures, which ensure that those who use social media either as part of their job, study, association with the University or in a personal capacity have guidance as to the University's expectations where social media are used.

This policy applies to all social media.
