2. OHSMS Requirements

2.1 Identification of new OHS Legal Requirements

2.1.1 The Manager, OH&S must identify any legal requirement that should be incorporated into the Occupational Health and Safety Management System (OHSMS). New requirements must be communicated in accordance with the OHS Communications Procedure. New legal requirements are identified through:

- Information maintained, monitored and provided by Monash University Risk and Compliance;
- WorkSafe Victoria legislative alerts, updates and information provided by WorkSafe as a result of entry into a Monash University workplace;
- Lawlex subscription;
- Safe Work Australia alerts and updates;
- Advice from Monash University legal advisors.

2.2 Identification of other External OHS Requirements

2.2.1 The Manager, OH&S must determine if any other external requirements shall be incorporated into the Occupational Health and Safety Management System (OHSMS). New external requirements are identified through:

- Standards Australia subscription;
- Alignment of Monash Practices to other organisations; and
- Information maintained, monitored and provided by Monash University Risk and Compliance.
2.3 Current OHS Legal and other External Requirements

2.3.1 The Manager, OH&S must ensure that all current OHS legal and other external requirements are recorded in the OHSMS Requirements Register.

2.4 Monitoring and Reporting

2.4.1 Integration of legal or other external requirements is monitored according to the OHS Monitoring Procedure.

3. Responsibility for Implementation

3.1 A comprehensive list of OHS responsibilities is provided in the OHS Roles, Responsibilities and Committees Procedure.

4. Records

4.1 For OHS Records document retention please refer to: Monash University OHS Records Management Procedure

DEFINITIONS

A comprehensive list of definitions is provided in the Definitions tool. Definitions and terms specific to this procedure are provided in the Monash Risk & Compliance Glossary and include the following:

<tr>
<th>Key word</th>
<th>Definition</th>
</tr>
</thead>
<tbody>
<tr>
<td>Legal Compliance Officer (LCO)</td>
<td>A Legal Compliance Officer (LCO) is a University staff member with local expertise and knowledge of a particular area of the University's operations and who works with the Risk and Compliance Unit to identify legislation relevant to the activities of the area in which they work. A Legal Compliance Officer: • Works with Policy Owners to ensure that compliance obligations are reflected in relevant policy and procedures; • Provides advice on the implications of new or amended legislation for the University; • Reviews existing controls in a Legal Compliance Register that minimise the risk of non-compliance to legislative obligations; and • Educates and promotes a culture of compliance.</td>
</tr>
<tr>
<td>OHS Legal Requirements</td>
<td>Health and Safety requirements listed in Act and Regulations of Federal or State parliament. Certain Australian Standards, Codes or guidelines have the status of legal requirements if called up in an Act or Regulation.</td>
</tr>
<tr>
<td>Other External Requirements</td>
<td>WorkSafe compliance codes and codes of practice, industry “best practice”, and agreements.</td>
</tr>
