

## Australian Firefighters' Health Study Bulletin No 7

Welcome to the seventh bulletin of the Australian Firefighters' Health Study, a publication designed to keep you informed about the progress of the Australian Firefighters' Health Study.

### Study progress

- All ethics approvals are in place and current.
- The incident data have been linked to the main cohort.
- The statistical analyses of deaths and cancer incidence have been completed.
- The next Advisory Committee meeting will take place in November 2014. The main purpose of this meeting will be to discuss the draft final study report.
- The final study report has been drafted and Monash University anticipates releasing it by the end of this year.
