Mathew Peck Travelling Scholarship

Jessica Dayment - Fiji
Fiji

- Population less than 900,000
- After four coups became democratic in September 2014
- Major industries: tourism and sugar cane
Meropenem Drug Use Evaluation at Colonial War Memorial Hospital, Suva

- CWM Hospital is Fiji’s oldest and largest hospital with 508 beds and 22 wards.
My Project

- Two weeks in Nov-Dec 2014
  Data collection at the Hospital
- Four weeks in February 2015
  Report writing at Fiji Pharmaceutical and Biomedical Services (FPBS)
What did I gain from the experience? Why should you apply?

- An appreciation for the importance of our profession
- An insight into international aid opportunities for Australian pharmacists
- Inspiration to be a better pharmacist and maybe one day work in international development
- And last but not least...Great Friends!
