Welcome

Welcome to orientation and the Monash Business School

Making a great start to your Business studies and meet your Course Director

Gain an insight into the University's expectations and the graduate learning experience. Find out more about your course from your course director.

Director

Kicking off your academic studies

Learning skills can make your studies so much easier. Find out how with MARS. We will discuss group work, academic integrity and help you get the maximum benefit from the Matheson library's services

English Connect

Build up your confidence and gain essential English language skills. Find out more about English Connect.

Orientation Planner

We know that students who attend Orientation are more likely to feel prepared for university and succeed in their studies plus it gives you an opportunity to meet staff and new friends before the first day of classes.

You can create a personalised Orientation Plan using the Orientation Planner. On the Planner, you will find information sessions, activities and other events designed to help you settle in and connect with Monash Business School, your campus and the Monash community. Access the Planner at orientation.monash
