LEAP INTO LEADERSHIP ONLINE (LILO)
SELECTIVE LEADERSHIP PROGRAMS

A selective leadership program, exclusively available to second year students. This program is the flagship leadership program for Monash students, and has been running since 2006.

Available to first-year students who have been awarded a specific scholarship. This program embodies the Monash ethos of community service, with opportunity to develop students’ leadership skills so that they can make a positive difference to the lives of others.

Assists high-achieving students in developing their leadership skills. The program provides select students from 2nd and 3rd year (and beyond) with a personal and professional development opportunity, by pairing them with an experienced mentor.
