REGIONAL RAIL REVIVAL
REGIONAL RAIL REVIVAL

- $1.75 billion program
- Joint initiative of Australian and Victorian governments
- Upgrading every regional passenger line in Victoria
- Deliver more frequent and reliable train services
- Will create more than 1,000 jobs
- More opportunities for regional Victorians to access jobs, education, healthcare and housing
REGIONAL RAIL REVIVAL WILL DELIVER

• Infrastructure for more frequent and reliable train services
• New and upgraded stations, track duplication, upgraded level and pedestrian crossings
• More than 1,000 jobs, including at least 10% for Victorian apprentices, trainees and engineering cadets
• Opportunities for local suppliers to create jobs, develop industry skills and grow local economies, through the Victorian Government’s Local Jobs First Policy
• Better connectivity between regional centres across Victoria
REGIONAL RAIL REVIVAL
OPPORTUNITIES FOR YOUNG PROFESSIONALS
• Since 2017 RPV have recruited over 20 Interns/Cadets across various disciplines

• Work placements for current university students

• A six-month, full-time placement

• On the job training with industry experts
GRADUATE PROGRAM

- RPV have recruited almost 50 graduates since 2016
- Structured learning 18-month program
- Range of workshops, site visits, project work, mentoring and experiential learning opportunities.
