

Course progression map for 2022 commencing students

This progression map is a guide only. It does not substitute for the list of required units as outlined in the course 'Requirements' section of the Handbook. The order of units can be rearranged, if applicable prerequisite requirements are met. The unit offering information is correct at the time of publication, however changes may occur. You are advised to check with the relevant Faculty Student Services staff when planning your course and refer to the Handbook entry for each unit prior to the start of each semester.

B6001 Master of Applied Economics and Econometrics

Applied econometrics specialisation

Year 1 Semester 1	ETF2100 Introductory econometrics or ETC2410 Introductory econometrics	ETF2700 Mathematics for business or ETC2440 Mathematics for economics and business	ECF5927 Managerial economics or ECC5900 Microeconomics	ECF5923 Macroeconomic policy or ECC5901 Macroeconomics
