

GROWING COMMUNITY-LED DISASTER RESILIENCE *FORUM*

A SHOWCASE OF CURRENT PRACTICES AND RESEARCH

**THURSDAY
11 NOVEMBER
8.45AM – 1.00PM**

Jointly hosted by Fire to Flourish & MUDRI

10 Years of MUDRI Forums highlight how communities across Victoria have led community resilience building initiatives. An exciting new chapter begins with 'Fire to Flourish' taking a lead bringing together community-building, disaster and resilience experts in a five-year program to support communities to lead their resilience building programs.

Join us for this inspiring and insightful event, showcasing a range of speakers presenting and sharing ideas on current and practical approaches to community-led resilience building aimed at building connections and sustainable partnerships to strengthen resilience within local communities.

This year's 2021 **Professor Frederick 'Skip' Burkle Jnr Keynote Lecturer is Associate Professor Briony Rogers**, who will talk about the Fire to Flourish Program and 'Paving new ways for Community-led Approaches to Disaster Recovery: Bringing together community-building, disaster and resilience experts in a five-year Bushfire Resilience Program'.
