

Everything you need to host a student on placement **THE MONASH PLACEMENT PORTAL**

THE MONASH PLACEMENT COURSE MAKES THE PROCESS OF PLACEMENT EASIER FOR CLINICAL PARTNERS AND STUDENTS.

We appreciate the time and effort you give students on placement. The Monash Placement Course provides easily accessible resources to support you in the process.

WITH THE MONASH PLACEMENT COURSE YOU WILL HAVE ACCESS TO:

- Practical resources such as the Practitioner Placement Guide and Occupational Health and Safety requirements, making it easier to host students on placement
- Free professional development modules on topics such as 'Getting started with students on placement' 'Cultural safety-working with Indigenous Peoples' and 'Working with students who have English as an additional language'.
- All the latest Monash University guides, policies, immunisation information and FAQs right at your finger-tips
- An easy to locate 'Contact Us' section for all your placement queries.

Are you involved in the education of Monash University students in the Faculty of Medicine, Nursing and Health Sciences? The Monash Placement Course is the resource for you.
