Community Guidelines

Monash University welcomes everyone interested in our University to engage with us at our Change Day Expo.

The Change Day Expo is an event for future students to engage with our staff members and students to talk about studying at Monash. We encourage prospective students and their families to come join us to learn more about our community.

As always, our [digital community engagement guidelines](#) apply.

Do these things

- We encourage you to be actively engaged, ask questions, talk to us about being a new student, tell us what you'd like to know about studying at Monash - whether you're an international or domestic student.
- Please treat your fellow community members with respect regardless of race, colour, gender, sexuality, language, religion, political or other opinion, national, ethnic or social origin, property, disability, birth or other status.
- Please review, understand and comply with the [website terms and conditions](#).

Our responsibilities
