

Eastern Health Clinical School

MD Scholarly Intensive Placement (SIP)

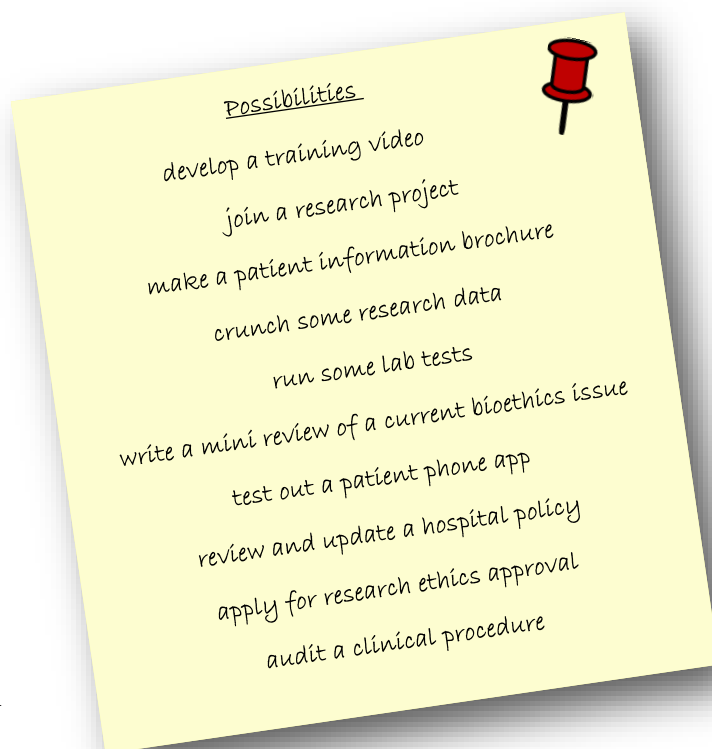

2023 Opportunities for SIP rotations with Eastern Health Clinical School

EHCS is the hub of a vibrant research community, active in the fields of education, translational, clinical, epidemiological, public health and laboratory based research.

EHCS SIP rotations provide exciting opportunities to work with our experts in:

- Gastroenterology
- Surgery
- Endocrinology
- Women's Health
- Paediatrics
- Neurology
- Cardiology
- Psychiatry
- Infectious Diseases
- ICU
- Mental Health
- Aged Care Medicine
- Oncology
- Public health and Bioethics
- Turning Point's addiction research

EHCS: small groups, friendly staff, we can tailor a SIP for you
