EDF4610 Interacting with research in education contexts
EDF4611 Investigating education issues in global contexts

NOTES:

1. This course is designed for students who are not able to enter a 48 credit point masters program.
2. Students who do not meet the *academic* requirements for entry in to either the Master of Education or Master of Leadership can take this course.
3. On successful completion of the Graduate Certificate of Education Studies, students may enter a Master of Education or Master of Leadership with 48 credit points remaining.
4. Students must wait one term prior to commencing the preceding Masters intake due to requirement for an AQF level program to be completed.
