

# B6023 – Master of Commerce (Integrated MCom/PhD program) Supplementary Form

The Master of Commerce is offered as an integrated pathway to PhD study in Monash Business School and comprises advanced coursework and research studies. Your application for admission to the MCom will be assessed on the basis of your suitability to transition to the PhD. Selected applicants will receive an offer for the MCom and a conditional offer for the PhD. Note: Transition to the PhD will be subject to you meeting the conditions of that offer.

When applying for the Master of Commerce (B6023) you must attach a completed version of this form in PDF format to your online application.

Detailed entrance requirements for the course can be viewed at the [Find a Course web page](#).
