

Monash University Policy

Policy Title	Web Accessibility Policy
Date Effective	22-September-2017
Review Date	22-September-2020
Policy Owner	Director, Strategic Enablement, eSolutions
Category	Operational
Version Number	2.0
Content Enquiries	Education Policy Unit
Scope	<p>Staff providing university online resources for internal or external users, including:</p> <ul style="list-style-type: none"> • Teaching and learning resources • Research and research-related information and resources • Administrative, training and support information and resources.
Purpose	<ul style="list-style-type: none"> • To promote the university's key values of fairness, equity, diversity and social justice. • To support the university's policies and plans, in particular the Equal Opportunity Policy and Social Inclusion Strategy - Disability Plan 2010-2014, by raising awareness and fostering the development of knowledge and skills to create accessible online resources. • To assist the university to meet its compliance obligations under the Disability Discrimination Act 1992.
POLICY STATEMENT	

The University will take all reasonable steps to ensure that online resources are accessible to all users, including those who use assistive technology.

Staff responsible for development of online resources, including those developed to Monash specifications by third parties, must take all reasonable steps to ensure that online resources are accessible to all users, including those who use assistive technology.

Staff responsible for selection and purchase of web-enabled applications must ensure selection criteria include accessibility requirements and that accessibility requirements are considered as part of the purchasing decision.

The university's Internal Audit unit will conduct random audits of web materials to ascertain whether they comply with the Monash Web Accessibility standards. The university reserves the right to remove materials that do not comply with the standards.

Supporting Procedures	Web Accessibility Procedures
