MONASH SCHOLARSHIP PROGRAM

WHO WAS SIR JOHN MONASH?

Sir John Monash was a distinguished Australian leader, engineer and nation-builder. He was a gifted student, but was forced to leave university early due to financial hardship. He eventually returned to study and now has a legacy as a scholar and a man of action. Above all, he sought to use his education and abilities to benefit the community.

The man who inspired a generation of Australians also inspired scholarships for commencing undergraduate students.
