**By bus:** These buses travel direct to the Clayton campus bus loop:

**By car:** (Melways map ref. 70 G10)

Travel about 30 minutes from the city centre along Citylink and the Monash Freeway. If travelling from Melbourne's north or south, travel along Eastlink and exit west at the Monash Freeway.

[CityLink](#) and [EastLink](#) are both tollways. Please check their websites if you need information about how to pay the toll.

If travelling from Melbourne airport, add 15 minutes travel time.

## Parking

You need a [parking permit](#) during the weekdays, but we also offer short-term parking zones. You can park without a permit in the blue, red and yellow zones after 5pm on weekdays and all weekend. Open the [campus map \(pdf 860 kb\)](#) to locate specific parking areas.

## Accommodation

**Location of Monash University, Clayton Campus**

Monash University, Clayton Campus is in the outer suburbs of Melbourne and the area has limited amenities or sight-seeing opportunities.

Accommodation near Monash University tends to be expensive for the quality and there are few eating places in the area, unless you have access to a car and can drive to nearby shopping centres. Only a couple of motels are within walking distance.

The alternative is to stay in or nearer the city centre and commute in, either by car or by train and/or bus. This can take between 20 and 50mins, depending on your location and mode of travel.

There are seven halls of residence at the Clayton campus that provide on-campus accommodation, meals and student services.

Other options include Monash-affiliated Mannix College, or independent private living within walking distance of the campus.

For more information on accommodation, telephone +61 3 9905 6200 or visit [Monash Residential Services](#).
