THE METRO TUNNEL PROJECT
CAPACITY BENEFITS

The Cranbourne / Pakenham line will have 45% more peak capacity with Metro Tunnel and other network improvements.

Legend:
- The Metro Tunnel
- New underground stations
- Planned connections between the Metro Tunnel and City Loop
- Existing network stations

Direct and convenient underground connections between the Metro Tunnel and City Loop.
“THE IDEA OF A MELBOURNE METRO STATION NAMED ‘WINTERFELL’ TICKLES MY FANCY.”

GEORGE R.R. MARTIN
AUTHOR, GAME OF THRONES
7.09.2017
