
Monash Doctoral Information Day
Saturday 9 September 2017
Fairmont Hotel, Jakarta
Session Outline:

1. Importance of quality publications & co-publications in Indonesia & Monash-Indonesia contexts
2. How Monash research degrees strengthen the publication & co-publication capacity of candidates and their nations’ development
3. Discussion of your opportunities and prospective ways forward
Indonesia: Context & Government Priorities & Mechanisms

- Indonesia is a dynamic economy, with:
  - Strong ambition to increase R&D with impact
  - Explicit targets for academic collaboration with international partners & acceleration in publication output

- Mechanisms include:
  - Scholarships (LPDP, MoRA, RISET-Pro)
  - Funding for joint research & international funding
  - Indonesian Science Fund (DIPI)
  - University incentives
Monash-Indonesia: History & Current Initiatives

- Proud history of Indonesian research students at Monash University across all disciplines
- 50 years of Indonesian/Malay Studies @ Monash, 2012
- Australia-Indonesia Centre (AIC), est. 2014
- Monash Indonesia Representative Office (MIRO), est. 2016:
  - Facilitates industry & government linkages, and multidisciplinary connections across education, research enterprise & alumni
  - Includes publication-strengthening activities, for example:
  - Monash-UNHAS Publication Strengthening Workshop for Eastern Indonesia: FGD brainstorm challenges & forward strategies: joint research proposals, co-supervision, joint authorship
International Co-publication Trends: Monash University

Monash International Co-Publications (worldwide, 2012-2016)

(SciVal, extracted Aug 17)
Monash-Indonesia Co-publication Trends, 2012-2016

Monash - Indonesia co-publications

Top 10 Indonesian institutions co-publishing with Monash

Ministry of Health, Indonesia: 14
Uni of Indonesia: 14
Eijman Institute: 8
Gadjah Mada Uni: 6
Uni Airlangga: 5
Uni Hasanuddin: 5
Brawijaya Uni: 4
Uni Paedgigan: 4
Uni Syiah Kuala: 4

(SciVal, extracted Aug 17)
The number of citations increased substantially once there is collaboration with an international partner.
Supporting your research

- **Supervision**
  - Monash University invests in research excellence by ensuring that you are mentored by at least two actively engaged researchers who are leaders in their field.

- **Infrastructure to make it happen**
  - State of the art research facilities (e.g., Centre for Electron Microscopy, Immersive data visualization).

- **Generous scholarships**
  - We want to help you make your mark on the world. Our scholarships support your research and can assist with fees and living expenses.
  - We also partner with Indonesian sponsors to fund PhD study at Monash such as LPDP, RISTEKDIKTI and MoRA.
Training and development activities

- Available to Monash Doctoral Program students:
  - Getting published: how to write a good journal article
  - Developing a successful publishing strategy
  - Grants, papers, prizes, and awards: How to write yourself to success
  - Building an online research profile
  - Writing a research proposal
  - Writing a Literature Review in the Humanities, Arts and Social Sciences
  - Writing effective literature reviews in the STEM disciplines
  - Writing literature reviews
Leading across the board

- Regardless of discipline, every project we support is driven by a desire to make a difference.

- Whether you’re passionate about Humanities, Arts, Social Sciences or Science, Technology, Engineering; Monash University is a global leader across the board and we are equipped and ready to support your research.
