SECTION 1 : GETTING ACCESS
To access the Digital Fabrication (D-Fab) workshop you are required to complete the D-Fab General Access Quiz. This quiz covers occupational health & safety and general workshop rules. You will need to refer to 'Section 2 : General Workshop Rules’ to complete this quiz. Once you have completed this quiz with a score of 100% you will be granted swipe access to the workshop.

Within the workshop, independently operated equipment requires additional training.

Please refer to the table below to decide which level of access you need, and the corresponding level of training you must complete. Please note: once you have received the sticker displaying your level of training, they must be visible on your M-Pass at all times.
SECTION 1.2 : RENEWING ACCESS AND COLLECTING STICKER(S)

If you are a returning student, to access the Digital Fabrication workshop you are required to complete the D-Fab General Access Quiz. This quiz covers occupational health & safety and general workshop rules. You will need to refer to ‘Section 2: General Workshop Rules’ to complete this quiz.

Once you have completed this quiz with a score of 100% you will be granted swipe access to the workshop.

If you have completed laser and/ or 3D printing training previously, you will need to collect the correct sticker for your training. Upon arrival, your training history will be verified by staff.

You will be able to collect your sticker(s) daily between 11:15am -11:30am and 4:00pm-4:15pm
