WHY STUDY WITH MEDICINE, NURSING AND HEALTH SCIENCES AT MONASH?

Medicine, Nursing and Health Sciences at Monash University is one of Australia’s largest providers of education for doctors, nurses and allied health professionals.

EIGHT REASONS TO STUDY WITH US

**Do what you love from day one**
All our undergraduate degrees are specialist courses, so you’ll focus on your chosen area of study from the start of your degree.

**Benefit from our partners**
We partner with leading healthcare providers, including Alfred Health, Monash Health, Eastern Health and Peninsula Health. This gives you access to clinical placements in preparation for your health career.

**Reputation for excellence**
Did you know we’re ranked in the top one per cent of universities in the world? Our research breakthroughs and teaching innovation have cemented our reputation globally as a leader in medicine and health.

**Global learning opportunities**
Want to gain an international perspective? Many of our courses offer opportunities for clinical exchanges or exchanges abroad. Experience healthcare systems in places like the United States, Sweden, Scotland, Cambodia and Vietnam.

**Multidisciplinary health community**
You’ll study alongside students from all areas of health. This prepares you to work collaboratively across professions in your future career.

**A global alumni network**
The benefits of studying at Monash continue long after you graduate. Access a network of almost 50,000 Faculty alumni who are making a difference in health worldwide.

**Make a difference**
At Monash, we don’t accept the status quo. You’ll question the answers, take action and be part of changing the world around you.

**Become a leader, doer and game changer**
Whether you want to unlock your leadership potential or start thinking like an entrepreneur, you’ll have access to extra curricular programs that take you outside the classroom and solving real world problems.

ENTRY REQUIREMENTS

When you apply to Monash University for an undergraduate course, you must satisfy the following:

1. Minimum age requirements
2. Academic entry requirements
3. Prerequisites and additional requirements
4. English entry requirements

MINIMUM AGE REQUIREMENTS

You must be at least 17 years of age to enrol in a Monash University undergraduate course. Some exemptions may apply. For further information, visit monash.edu/admissions/age-requirements

ACADEMIC ENTRY REQUIREMENTS

All Monash undergraduate courses require you to have successfully completed a minimum of an Australian Year 12 qualification (or equivalent) and achieve the required academic entry score.

The tables at the end of this guide outline the academic entry scores (for the listed qualifications) that apply to each undergraduate course.

How to calculate your entry score for the listed qualifications in this guide

Entry scores for the listed qualification in this guide are calculated as follows:

Australian Year 12 (listed under the ‘2020 ATAR for international students’ column, page 11): Final ATAR as awarded by the relevant Australian state Year 12 authority.

GCE A Levels: Total score of a maximum of the best three A Level subjects. Two AS Level subjects can be counted in place of one A Level subject provided that the subject has not been taken at A Level. A maximum of 1 bonus point is offered when achieving A* in an A Level subject.

Minimum A Levels must be awarded by the following bodies:

- Cambridge Assessment International Examinations (CAIE) (previously known as CIE)
- Pearson Edexcel (previously known as Edexcel)
- Council for the Curriculum, Examinations and Assessment (CCEA)
- Oxford, Cambridge and RSA Examinations (OCR)
- Welsh Joint Education Committee (WJEC)
- Assessment and Qualifications Alliance (AQA).

All India Senior School Certificate: Overall average of the best four academic subjects (excluding Physical Education) and results indicated as ‘PASS’. Go

American Admission Tests:

- Advanced Placement: Total of the best two Advanced Placement (AP) examinations undertaken during Grades 9 to 12 of the American High School Diploma. If more than two AP examinations have been completed, only the best two AP examinations will be used in the calculation. Minimum accepted score in each AP examination is 3.

The following documents must also be submitted:
- Official final Advanced Placement examination issued by the College Board
- Official final academic transcript and Diploma Certificate for the American High School Diploma (or equivalent Australian Year 12 qualification).

- Scholastic Aptitude Test (SAT) – total score out of 2400:
  Total score obtained by adding the highest section scores (by adding the best scores achieved for ‘Critical Reading’, ‘Mathematics’ and ‘Writing’ across all SAT examinations submitted to Monash University.

The following documents must also be submitted:
- Official final SAT examination issued by The College Board
- Official final academic transcript and Diploma Certificate for the American High School Diploma (or equivalent Australian Year 12 qualification).

- Scholastic Aptitude Test (SAT) – total score out of 1600:
  Total score obtained by adding the highest section scores (by adding the best scores achieved for ‘Evidence Based Reading and Writing’ and ‘Math’) across all SAT examinations submitted to Monash University.

The following documents must also be submitted:
- Official final SAT examination issued by The College Board
- Official final academic transcript and Diploma Certificate for the American High School Diploma (or equivalent Australian Year 12 qualification).

Additional Requirements for American Admission Tests (SAT and AP):

- The American High School Diploma cannot be accepted independently for admission into Monash University.
- Schools that offer the American High School Diploma in the United States of America must be listed as accredited on the National Center for Education Statistics at nces.ed.gov/globallocator
- Schools that offer the American High School Diploma outside the United States of America must be accredited by the Advanced Ed or an equivalent regional accrediting agency in the United States of America as follows:
  - Middle States Association of Colleges and Schools
  - New England Association of Schools and Colleges
  - North Central Association of Colleges and Schools
  - Northwest Commission on Colleges and Universities
  - Northwest Accreditation Commission
  - Western Association of Schools and Colleges
  - Southern Association of Colleges and Schools.
- If a student has undertaken multiple American Admission Tests (i.e. SAT, AP or ACT), the test with the highest achieved scores will be considered as meeting Monash University undergraduate entry requirements.

High School Diploma (Bằng Tốt Nghiệp Trung Học Phổ Thờng), Vietnam: Overall average of all Grade 12 subjects.
Hong Kong Diploma of Secondary Education: Total score of the best five subjects6 (Category A and C only). Score graded as follows: Level 1=1, Level 2=2, Level 3=3, Level 4=4, Level 5=5 or A=5, B=4, C=3, D=2, E=1.
A maximum of 1 bonus point is offered when achieving Level 5** or Level 5* in a HKDSE Category A subject.

Indian School Certificate Examination: Overall average of the best four academic subjects (excluding Physical Education) and results indicated as ‘PASS CERTIFICATE AWARDED’.

International Baccalaureate (IB) Diploma: Total final score as awarded on the official final transcript.

Qualifications awarded prior to 2009: Overall average of the best eight subject grades (including English, Kiswahili and Mathematics) as awarded on the official final Kenya Certificate of Secondary Education results slip. Score grades as follows: A=12, A–=11, B+=10, B=9, B–=8, C+=7, C=6, C–=5, D+=4, D=3, D–=2, E=1.

Ontario Secondary School Diploma – Grade 12: Overall average of the best six academic Grade 12 subjects6 (excluding workplace preparation courses and open courses). Students must achieve a minimum total of 30 credits and complete Community Involvement.

SMA3, Indonesia – 100% scale (60% pass): Overall average of all Semester 1 and Semester 2 Grade 12 results.
Note: Monash University undergraduate entry scores vary for SMA3 qualifications that are marked on differing grading scales.

STPM, Malaysia: Total of the best three subjects, excluding Pengajian Am (General Studies).

UEC, Malaysia: Overall average of at least five subjects. Only grades A1, A2, B3, B4, B5 and B6 to be included in calculation. C7, C8 and F9 cannot be included in the calculation.
Five subjects must be included in the calculation with a score of B6 grade or higher in each subject. Score grades as follows: A1=1, A2=2, B3=3, B4=4, B5=5, B6=6.
It should be noted that a score of A1 is the highest score.

Monash University Foundation Year (MUFY): To calculate the average mark required for the Monash University destination degree, refer to the ‘How to calculate your Foundation Year score’ information available at: monashcollege.edu.au/courses/foundation-year/destination-degrees
The undergraduate entry requirements published in this brochure are for students who commence the MUFY program in 2020.

UNSW Foundation Studies: Final grade point average.

The University of Melbourne Trinity College Foundation Studies: Overall average of the best four subjects (excluding English for Academic Purposes).

Other international qualifications entry requirements can be found at monash.edu/prior-study

PREREQUISITES AND ADDITIONAL REQUIREMENTS
Students need to meet course prerequisites (including English) and additional requirements. These are outlined in the course pages where required. It should be noted that required prerequisite subject scores are not listed in this course guide.

ENGLISH ENTRY REQUIREMENTS
When you apply for a Monash University undergraduate course you must satisfy English entry requirements. Different English entry levels apply to undergraduate courses as outlined in this guide. If you have completed several measures of English proficiency over a period of time, the highest valid measure will be accepted as long as it has been taken within the time limitations specified below. English requirements can be met in one of the following ways:

• English (Australian Year 12 equivalent): Students must complete an English subject that is equivalent to Units 3 and 4 of VCE English, and also meet the required prerequisite score for the Monash University course they have applied for. The equivalent English subject must be taken within two years prior to the Monash course commencement date (other time limitation periods may apply).

• English is the language of instruction, communication and assessment for the entire institution: You can meet the English language requirements if you have undertaken studies at an institution where English is the language of instruction, communication and assessment for all aspect of study for the whole of the educational institution by satisfactorily completing a minimum of 48 Monash credit points (one year of full-time study) or equivalent in one of the following qualifications:
  — an Australian VET diploma level (or equivalent) which must be taken within two years prior to the Monash course commencement date. OR
  — an Australian bachelor degree (or equivalent) which must be completed and taken within five years prior to the Monash course commencement date.

Documentary evidence in the form of an official letter is required from the institution at which the study was undertaken. This document must be written and signed by the institution’s registrar (or other authorised person) of the education institution to the satisfaction of the Academic Board.

• English Proficiency Tests: The following English proficiency tests are accepted by Monash University:
  — Academic IELTS (International English Language Testing System). For more information, visit ielts.org
  — Internet/Paper Based TOEFL (American Test of English as a Foreign Language). For more information, visit ets.org/toefl
  — Pearson Test of English (Academic). For more information, visit pearsonpte.com
  — Cambridge Certificate in Advanced English (CAE) and Cambridge Certificate of Proficiency in English (CPE). For more information, visit cambridgeenglish.org

Monash University and Monash College reserve the right to ask students to undertake an approved English proficiency test to meet English course requirements, and will only accept English proficiency tests taken within 24 months prior to the Monash course commencement date.

For more information regarding English entry requirements, refer to the Admission to Coursework Courses and Units of Study Procedures, available at monash.edu/admissions-coursework-procedures

Please note that all entry requirements for Monash University and Monash College are subject to change.

1 Subject examinations taken within two years may include more than one siting. For example, subject examinations in June 2013 until June 2015 are acceptable.
2 In order for the final score to be calculated all SAT scores must be marked out of 2400.
3 In order for the final score to be calculated all SAT scores must be marked out of 1600.
4 Students who have undertaken an American Admission Test (i.e. SAT, AP or ACT) with another international qualification (equivalent to an Australian Year 12) will be considered for Monash University undergraduate admission, however the qualification or American Admission Test with the highest achieved score will be used to determine whether the student has met the entry requirements. Students who have undertaken an accredited final secondary school leaving award that is not equivalent to an Australian Year 12 may be considered for Monash University undergraduate admission only with an approved American Admissions Test. However higher entry scores will apply.
5 The highest grade will be used in the calculation in the event where individual subject examinations have been sat in multiple sittings.
6 The grade 12 subjects must be taken from the most recent completed Ontario Student Transcript issued by the Ontario Ministry of Education.
HOW TO APPLY

Step 1  Apply
All students must apply for a Monash University course online. Please refer to the following website for a step-by-step guide: monash.edu/admissions/apply/online

With your online application, please provide academic documentation, including academic transcripts, graduation certificate and grading scales (indicating graduation requirements). If you’re applying for a course that has selection and/or extra requirements, please also provide the necessary documentation with your online application.

You’ll be required to provide original or certified academic documentation (or other supporting documents) upon request. For further information on certifying documents, visit monash.edu/study/how-to-apply/international-student-applications/certifying-documents

You may wish to apply through a Monash Registered Agent. Some agents may charge a fee for additional services so please ask what these costs are before you make an appointment.

To find a Monash Registered Agent near you, visit monash.edu/study/how-to-apply/international-student-applications/agents-database

Applying for credit
Monash University may grant credit for subjects with satisfactory grades that have been undertaken at other recognised tertiary institutions if:
• the subject is considered to be equivalent in content and standard to those offered by Monash University
• the subject is relevant to the planned course of study.

It should be noted that awarded credit may affect the course and visa duration. To apply for credit assessment, you need to flag it on your course application form and submit the relevant subject outlines to support your application.

When should you apply?
Apply as early as possible. Some courses may close a few months or a year before the start of the course, while others have quotas.

Aim to have your online application submitted as early as possible. This allows time for your application to be processed and can help to ensure that you secure a place if your preferred course has limited places.

Applying early also gives you time to get your student visa, which can take up to six months for some nationalities and countries.

When to apply through VTAC
International students who are undertaking an Australian Year 12 qualification (for example, VCE or equivalent) in Australia or overseas, International Baccalaureate (IB) Diploma in Australia or New Zealand, or National Certificate of Educational Achievement (NCEA) Level 3 in New Zealand must apply through the Victorian Tertiary Admissions Centre (VTAC).

vtac.edu.au
Step 2
**Your application is assessed**

When your application is received, Monash University will assess your application according to the University entry requirements.

Monash University is obliged to check that you’re genuinely seeking temporary entry to Australia to study. If the University forms the opinion that you’re not a Genuine Temporary Entrant (GTE), it may refuse to assess your application, withdraw an offer of a place, or cancel your confirmation of enrolment.

If your application is successful, you’ll receive a full offer in the form of an International Student Course Agreement (ISCA). This will be emailed to you and your Monash Registered Agent (if you have one). Instructions will be supplied on how to accept your offer, including the fees and Overseas Student Health Cover (OSHC) you need to pay.

If we’re not able to make you a full offer immediately, you may receive a conditional offer. A conditional offer means you must submit more information and meet the requirements specified in the ISCA.

Usually the information we need is documentation (for example, official final transcript, graduation certificate or an English proficiency test) to see if you meet the specific entry requirements for the course you have applied for. We’ll explain what’s needed in the ISCA. Please submit the documentation to us as soon as possible or contact us if you need any help. If you’re not successful for your first preference, your application will be considered for your next preference or for a pathway program offered through Monash College (Foundation Year or Diploma).

Step 3
**Accepting your offer**

To accept your offer, follow the instructions in your ISCA. You must complete, sign and return Part B of your ISCA along with payment and a photocopy of the personal details page of your passport before the offer lapse date. Your payment should include OSHC for the duration of your visa for yourself and any family members accompanying you to Australia.

When making payment, it should be noted that:

- Monash University does not accept cash
- Dishonoured bank drafts may incur additional bank fees
- You may need to notify your bank of large deductions

Bank drafts will need to be mailed to Central Admissions. Please ensure you include your full name and Monash Student ID on the back of the bank draft.

Step 4
**We send you a Confirmation of Enrolment (CoE) and enrolment package**

A CoE will be emailed to you or your Monash Registered Agent when you have accepted your full ISCA or packaged ISCA (with no academic conditions specified). You’ll need the CoE to apply for a student visa.

After you have received your CoE, you’ll be emailed an enrolment package that includes:

- Your welcome letter, and
- Destination Monash – your complete guide to living in Australia and studying at Monash University.

Step 5
**Arrange your student visa**

The Department of Home Affairs (DHA) is responsible for issuing visas for entry to Australia. Students who are planning to study a Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) registered course are required to obtain a student visa.

Applicants are advised not to commence the visa application process until they have been issued with their CoE.

Applicants must keep in mind that their student visa application may take up to six months or more, depending on their nationality and country of residence.

All students, regardless of the financial capacity and English language proficiency documentation that may be required, will have to meet all other core visa criteria, such as the GTE requirement, and health and character criteria.

Additional visa information and application forms can be obtained from the Monash University website at [monash.edu/study/how-to-apply/international-student-applications/visa-requirements](http://monash.edu/study/how-to-apply/international-student-applications/visa-requirements)

Step 6
**Plan your arrival**

Make your own travel arrangements, aiming to arrive in Melbourne at least two weeks before orientation. This will make it easier for you to settle in and prepare for the start of classes.

If you wish to use our airport reception service, you need to complete and return the request form available at [monash.edu/study/how-to-apply/international-student-applications/preparing-to-arrive/book-your-airport-reception](http://monash.edu/study/how-to-apply/international-student-applications/preparing-to-arrive/book-your-airport-reception)

If you require help with arranging accommodation, visit [monash.edu/study/student-life/accommodation](http://monash.edu/study/student-life/accommodation)

Step 7
**Enrol in Monash units online and orientation**

Once you have accepted and paid for your offer, you’ll receive an invitation to set up your electronic Monash account and enrol online in units of study. Working through this process will help you understand and plan your course early so that you can get the best possible start.

Information about the online enrolment process and important dates is available at [monash.edu/get-started](http://monash.edu/get-started)

Orientation activities at Monash University happen before the semester starts and are designed to help you settle in. Some orientation activities focus on providing more information about your studies, while other activities are designed to help you meet new people and become familiar with our amazing campuses.

Use the orientation ePlanner to see what activities are on and to create your own personal schedule; visit [orientation.monash](http://orientation.monash)

Defer your studies

If you decide to delay your course commencement date, you have the option to apply to defer your studies (not available for Medicine). You’ll need to complete the following form and return it to Central Admissions for approval: [monash.edu/study/how-to-apply/international-student-applications/after-you-apply/defer-or-change-your-course](http://monash.edu/study/how-to-apply/international-student-applications/after-you-apply/defer-or-change-your-course)
# UNDERGRADUATE COURSES AT A GLANCE

## Academic prerequisite subjects

All Monash undergraduate courses require you to have previously studied and achieved required standards in certain specified subjects.

The table below outlines the requirements, and the course listing tells you which levels apply to each course. Note that some courses have selection and/or extra requirements such as folios, admissions tests or interviews. Make sure you check if this applies to your course of choice in the courses section of this guide.

SPECIAL REQUIREMENTS

Upon enrolment, you’ll be asked to comply with the mandatory immunisation requirements, police and working with children checks in readiness for clinical/fieldwork placements. Failure to hold satisfactory checks may result in you being unable to complete your course. Visit monash.edu/medicine/study/student-services/mandatory-compliance for details.

You’ll receive further instructions on the following requirements prior to/or on course commencement.

- **Immunisations**
  A Statement of Compliance form must be completed by a doctor from the University Health Service, Monash Infection Assessment Clinic, or your general practitioner.

- **Police check**
  You’ll be required to obtain a police check annually.

- **Working With Children check**
  You must hold a Working with Children Check before undertaking clinical placements.

- **Health check***
  Go to the Ambulance Victoria website ambulance.vic.gov.au for more details on the medical and fitness examination.

- **Drug administration and controlled substances policy** *
  Refer to the faculty’s clinical guidelines webpage for information about your legal responsibilities. monash.edu/medicine/study/student-services/policies/clinical-fieldwork-placement

- **First aid**
  If your course has clinical placements you’ll need to undertake the relevant first aid course (including CPR). monash.edu/study

---

1 Science approved list: VCE: Biology, Chemistry, Environmental Science, Geography, Mathematical Methods (any), Specialist Mathematics. Physics or Psychology.

2 IB (SL or HL): Biology, Chemistry, Environmental Systems and Societies (SL only), Further Mathematics (HL only), Geography, Mathematics, Mathematics: Analysis and Approaches (HL only), Mathematics: Applications and Interpretations (SL only). Physics or Psychology.

3 Not applicable to undergraduate English Language Level B.

4 Successful completion of MEB Standard requires 60% in Listening and Speaking and 65% in Reading and Writing. Successful completion of MEB Advanced requires 70% in Listening, Reading, Writing and Speaking.

**English language level (see below)**

- **Monash code**: CA – Caulfield | CL – Clayton | PE – Peninsula.

1. Duration is based on a standard full-time load of 48 credit points per annum.
2. Fees are quoted in Australian dollars; each is the annual average fee per 48 credit points of study in this course for 2019. Fees are adjusted annually. Please see monash.edu/fees/course-fee-types/international-full-fee for updates.
3. Science approved list (unless specified otherwise): VCE (Biology, Chemistry, Environmental Science, Geography, Mathematical Methods (any), Specialist Mathematics, Physics or Psychology).
4. This course has additional selection requirements. Please refer to monash.edu/study for further details.
5. There are a limited number of places available in this course. The entry score is only indicative.
6. Only for students who undertake placement electives.
GLOSSARY

Universities use some words you might not be familiar with. So to make sure nothing is lost in translation, we’ve put together a list of explanations.

**Undergraduate course**
The first level of tertiary studies at university, including diploma or bachelor degree courses.

**Prerequisites**
Previous study or other criteria required to gain admission into a particular course or unit.

**Double degree courses**
Two courses studied concurrently with required units in one course being counted as elective units in the other. A double degree takes less years to complete than if you studied one after the other.

**Degree**
The academic title you get when you complete a course of study. For example: Bachelor of Arts, Master of Business.

**Units**
Subjects that make up your course are known as units.

**Graduate courses**
Further study completed after you graduate with a bachelor’s degree.

**Elective**
A unit where you choose what unit to study. The choice may be from a specified list of units or it may be a free elective where you can choose any unit within Monash providing you have the necessary entry requirements and there are no restrictions on enrolment in the unit.

**Specialist course**
A structured course usually focused on developing the knowledge and skills needed for professional practice in a specific field or profession.

**Specialisation**
Taken in specialist courses, a specialisation is a minimum of 12 units in a particular discipline, and provides an in-depth education in your chosen field. You must choose your specialisation when you enrol.

**Honours**
Honours may be an extra year of study at the end of your undergraduate degree. All of our four-year undergraduate courses include honours in their structure.
